

STUDENT SERVICES

International Student and Scholar Services: The International Center

With more than 1,200 students and scholars from abroad on visas and some 4,000 California students born abroad, there is a rich cultural milieu at Cal Poly Pomona that the International Center aims to foster. International students admitted to Cal Poly Pomona and visiting international scholars are required to report to the International Center at the beginning of their first quarter for document processing. A team of professional advisors, helpful administrative support staff and trained student assistants is available daily in the International Center, Building 1, Room 104.

International students coming to Cal Poly Pomona find support services and advocacy in the International Center. The Center is available to ease arrival, help students comply with federal immigration laws and registration requirements, provide a new student orientation geared to your special needs, identify worthwhile campus programs and activities, and offer extensive advising services (immigration, personal finance, academic issues, personal concerns). International Center staff may be able to assist you with admissions and registration and to understand U.S. higher education. In-coming freshmen from abroad are strongly encouraged to enroll in a 2-unit class that is geared to improve performance and ease the transition.

As the locus for expertise on matters relating to United States Immigration and Naturalization Services (INS) regulations, we keep international students informed through timely e-mail newsletters and announcements of the pertinent rules that affect you. While most students will enter on F1 visas, for government-sponsored students, the Center will initiate IAP-66 paperwork for initial entry into the U.S. The International Centers offers programs and assistance to all students in extending visas, if this becomes necessary. A main goal is to keep all students in proper immigration status and thereby facilitate the educational process.

At the same time, the International Center aspires to be a recognized leader among international student service units nationally and periodically asks you for ideas on programs and issues that will improve programming aimed at a full, cross-cultural immersion experiences for Cal Poly Pomona international students. Leadership training, special programs informing students about local and state government, education, medical care, arts, judicial matters, business and related topics are part of the orientation course. Special trips to places of interest are part of the program. In addition, students who complete one year at Cal Poly Pomona, may apply for merit scholarships and loan funds administered by the International Center.

A number of international scholars visit Cal Poly Pomona each year, some for a few days and some for extended stays. The International Center has personnel experienced with the immigration and taxation issues that affect all such scholars and their academic hosts. Visa category has a major influence on the kinds, if any, of remuneration a scholar may receive and on the IRS requirements for income tax withholding. Academic and service units are encouraged to seek advice from the International Center before entering into arrangements that involve payments, including in-kind.

The International Center is especially interested in making contact with visiting scholars on our campus for extended stays. We want to establish more accurate numerical, geographic and disciplinary information on visiting scholars and their host units. Often the presence of a visiting scholar in one program will be of wider campus interest and the International Center aims to broaden the impact of scholars

whenever possible. The Faculty Associates of the International Center form the academic heart of the International Center, and can provide departmental contacts for visiting scholars.

Police and Parking Services

Cal Poly Pomona places a high priority on the safety of the campus community. University Police and Parking Services is responsible for law enforcement, parking services and emergency response at Cal Poly Pomona. The department is staffed by trained professional police officers, civilian parking officers, and auxiliary personnel and is operative 24 hours a day, year-round.

California State University Police officers are vested with the same powers and responsibilities as other police officers within the state of California. Their authority is granted through legislative action defined in the California Education and Penal Codes. Their jurisdiction covers all property owned and operated by the University, including adjacent public streets and property. The officers meet the California Peace Officers' Standards and Training Commission requirements, which are mandated for all California law enforcement officers. All University police officers have full powers of arrest, and are trained in the use of weapons and carry them on campus.

The annual security report, Safety On Campus "Your right to know," includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings of property owned or controlled by Cal Poly Pomona and on public property within, or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security, such as the policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. You can obtain a printed copy of the report by contacting Police and Parking Services or by accessing the following website: <http://www.csupomona.edu/~public_safety/security_report>

9-1-1 System: All telephones located throughout campus are connected to a 9-1-1 emergency system. The 24-hour Communications Center, which is staffed by trained dispatchers, provides telephone and two-way radio contact for emergency personnel and also serves as an after-hours contact for students, faculty, and staff. Fire and building alarms are monitored in this center.

Crime Reporting: Students, staff, and faculty are encouraged to report all crimes to the University Police Department. If you are the victim of a crime, observe a crime or suspicious activity, or see a security problem, notify University Police immediately. Many campus personnel are available to assist persons who may not wish to contact the police. Such personnel include Deans, Directors, Judicial Affairs, Housing administrators (including Resident Coordinators and Advisors), athletic team coaches, and faculty and/or student advisors. The aforementioned employees are required to report crimes to the University Police Department. University Police will accept voluntary, anonymous, and confidential reports from crime victims/survivors or university personnel. Crime reporting forms are available in University Police and Parking Services, Counseling and Psychological Services, Student Health Services, University Housing Services, the Village, and the CENTER. Every attempt to substantiate facts will be made. While reporting is strongly encouraged, professional and pastoral counselors are not required to report under the law.

Emergency Preparedness: The University has a well-defined disaster plan with several hundred trained faculty and staff members. There are 20 mini Emergency Operations Centers (EOC) spread across the campus.

A list of the EOCs appears in the campus information access directory.

Escort Program and Services: During hours of darkness, Police and Parking Services escorts are available to walk or drive you to your car, your class or your on-campus residence. Call extension 3070 from any campus phone to request an escort. The department also offers a wide range of programs and services to ensure the safety and security of the campus, including: crime prevention presentations; training and workshops on a variety of topics; self-defense workshops; alarm system and office safety and security evaluations; Ride-Alongs.

Academic Advising

Academic advising is a primary responsibility of faculty and is integrally related to the educational process. It is the responsibility of each student to know and meet graduation and other requirements and to make every reasonable effort to obtain adequate academic advising. Frequent advisor contact will help to ensure the student has current academic information and is making adequate progress toward educational goals.

The general functions of university student advising include: providing students with information on policies, procedures and programs of the university; assisting students in choosing educational and career objectives commensurate with their interests and abilities; assisting students in exploring the possible short- and long-range consequences of their choices; and making students aware of the wide range of services and educational opportunities that may be pertinent to their educational objectives at this university.

The specific type of advising program adopted by the academic units varies by college and by department. Students are advised to check with their major department office to familiarize themselves with the advising program adopted by their department.

Students may receive an "Advising Hold" on their registration for a given quarter. An "Advising Hold" indicates that the students must see their major department advisor to have the hold lifted prior to registering for classes. This is an opportunity for the student and advisor to discuss the student's academic progress, course selection, and to identify and resolve any difficulties the student may be experiencing. In order to achieve early intervention to assist students by providing an early warning system, all undergraduate students with a Cal Poly Pomona GPA of less than 2.2 will have an advising hold placed systematically on their record.

Student Support and Equity Programs

Student Support and Equity Programs (SSEP) is a multifaceted department within the Division of Student Affairs. STUDENT OUTREACH AND RECRUITMENT

The Office of Admissions and Outreach provides centralized outreach and recruitment activities, services and programs. The primary function of Student Outreach and Recruitment is to facilitate access and transition of prospective undergraduate and graduate students to the University. This is accomplished through recruitment, dissemination of information pertaining to admissions, academic programs, and general information about the University. In addition, staff members serve as liaisons with our academic Colleges and School, as well as high school and community college counselors and administrators.

Admissions and Outreach representatives engage in a wide variety of activities that include, but are not limited to college fairs, on-site

admissions programs, informational/motivational presentations, transfer center visits, on-campus appointments, special events, and a variety of workshops. These activities help prospective students learn more about Cal Poly Pomona and the CSU system. Admissions and Outreach staff also respond to general inquiries received by phone, letters, electronic correspondence, and referrals. Professional staff members provide one-on-one advising by appointment and on a walk-in basis. Special programs such as America Reads and College Days focus on college preparation for students and parents at the junior high and elementary school levels, as well as student mentoring and college counseling for students in grades 9-12 at selected high schools.

Consistent with the University's commitment to educational equity, programs and services are available to serve the needs of students from disadvantaged backgrounds. STUDENT LIFE AND ACTIVITIES

The quality of student life at Cal Poly Pomona is reflected in the breadth of out-of-class programs and informal activities developed by students. Co-curricular activities are an integral part of the educational program, and each student is urged to participate in the life of the academic community.

Office of Student Life

The Office of Student Life, a department within the Student Affairs division, is concerned with the total development of students. Its primary purpose is to enhance the quality of campus life through co-curricular activities. The staff members of the Office of Student Life believe that people learn by doing. Through involvement in co-curricular activities, students have the opportunity to practice what they learn in the formal academic setting as well as develop effective communication and leadership skills. Venturing in activities beyond the classroom allows students to grow both personally and professionally, thus making their total educational experience complete.

The Office of Student Life offers the opportunity for such experiences to be gained through involvement in various co-curricular programs including institutional governance, clubs or organizations or special committees, recreational or cultural endeavors and the planning and production of programs of entertainment and enlightenment. The Office of Student Life is located in the University Plaza, Building 26. The phone number is (909) 869-2841.

Student Government—ASI

Every Cal Poly Pomona student is a member of the Associated Student, Incorporated (ASI). ASI, the official voice of the students, is a recognized auxiliary of the University and is involved in representing student interests on campus as well as providing a variety of services.

ASI is directly funded and operated by the students of Cal Poly Pomona. Legislative authority is vested in the ASI Senate which is composed of elected executive officers and college representatives as well as campus/alumni representatives. Executive authority is vested in the ASI Cabinet which is composed of appointed student representatives who are responsible for coordinating different aspects of student life on campus. The ASI Judiciary is responsible for the interpretation of ASI, council and club by-laws and handling of related violations.

ASI operates within the provisions of the California Revenue and Taxation Code Section 23701(d) and the Internal Revenue Code Section 501(c)(3). ASI is also subject to the regulations established by the Trustees of the California State University (CSU) system and the accounting procedures approved by the California Department of Finance, as required by Section 89900 of the California Education Code.

ASI Programming provides entertainment and special interest programs to the student body and the general public. Through concerts, speakers, and special events, the students in ASI Programming seek to provide a well-rounded and complete schedule of activities. ASI also operates a Children's Center, (which provides day care for children of Cal Poly Pomona students, faculty, and staff), the Intramural Sports Program, and an insurance program which offers health and dental benefits.

ASI student government offices are located in the University Plaza, Building 26, while the ASI Business Office is in the Bronco Student Center, Building 35. Advise ment of ASI is provided by the Office of Student Life, also located in the University Plaza, (909) 869-2841.

Children's Center

The Associated Students Children's Center assists student parents to maintain their enrollment at Cal Poly Pomona by providing quality child care for their preschool children (2 1/2 to 5 years and toilet-trained) at a nominal cost. The Center also accommodates children of faculty and staff on a space available basis.

The Center's philosophy is learning through play. The curriculum is developmentally (age) appropriate. Socialization is stressed.

The Center is open during the academic year (Monday through Friday, 7:30 a.m. to 6 p.m.). Applications and additional information regarding fees and space availability may be obtained by calling the Children's Center at (909) 869-2284.

Student Clubs and Organizations

Cal Poly Pomona's co-curricular program is strengthened by some 240 charter clubs and organizations, fraternities and sororities, multi-ethnic, religious, and international organizations, as well as departmental and sports clubs. New organizations are formed as student interests change and evolve. A current listing of clubs and organizations, including brief descriptions and current officers, is available from the Office of Student Life in the University Plaza, Building 26. Call (909) 869-2841 or e-mail OSL@csupomona.edu for more information.

Multicultural Programs

A variety of multicultural programs provide the Cal Poly Pomona community with an opportunity to celebrate and learn more about the diversity that exists on campus and in society. Celebrate and learn more about this diversity by participating in multicultural programs.

Cross Cultural Retreat--This weekend get-away is held each year and is sponsored by the Office of Student Life. The goals of the retreat are to expand awareness of multiculturalism among Cal Poly Pomona students, faculty, staff, and administrators; provide a safe and non-threatening atmosphere for sharing and exploring one another's cultural experiences;

promote self-knowledge and self-worth of others; and identify strategies that would help promote multiculturalism. You may get involved by registering as a participant or serving on the planning committee.

Diversity Programs--Each year, the campus has the opportunity to highlight various cultures through Culture Weeks, coordinated by the AS Cultural Affairs Commissioner. All students are invited to help plan one of the Culture Weeks: Arab Culture Week, Asian-Pacific Heritage Month; Black History Month, Gay, Lesbian, Bisexual, & Transgender Culture Month, Jewish Culture Week, and Xicano Latino Heritage Month.

Multicultural Council (MCC)--MCC is the umbrella organization for the 30 cultural clubs on campus. We invite you to join one of the multicultural organizations.

The diversity of the programs sponsored by MCC provides Cal Poly Pomona with information and experience about other cultures--cultures with which we may have little familiarity.

Reaffirming Ethnic Awareness and Community Harmony--REACH is sponsored by the Office of Student Life. Its goal is to promote a better understanding of diversity issues. Students in the REACH program are taught cultural history, facilitation skills, and group process skills. REACH consultants facilitate cultural awareness workshops and receive 2.0 units of credit each quarter for their participation in the class.

Leadership Development Programs

Leadership Series--Each quarter the Office of Student Life sponsors free workshops addressing various aspects of leadership. The workshops present relevant information to enhance leadership effectiveness, provide an opportunity to network with peers and discuss pertinent issues, and to meet different faculty presenters outside of the usual classroom setting.

Multicultural Leadership Class

This course is designed to prepare students to be effective in a multicultural world. The course covers theory and skill development for current and future multicultural leaders. Leadership and multicultural education principles will be taught through simulation activities, case studies and dialogue.

Resource Materials--The Office of Student Life is the place to find resource files and videos dealing with all areas of organizational effectiveness and leadership. Along with workshops and discussion groups that are available to your group, a leadership library with books for checkout is available.

The Leadership Community--Fall Student Convocation (TLC)--The Office of Student Life serves as the primary coordinators for the Fall Student Convocation. The Leadership Community (TLC) is a one day Fall Convocation event designed to educate, support, network, empower and prepare student leaders.

Rose Float

Unlike any other project on this campus, (or for that matter at any other college or university), the Rose Float responsibility is jointly shared by the two Cal Poly campuses of Pomona and San Luis Obispo. Working together, the two campus committees select the design, pay for their share of the expenses, build their assigned parts of the float, grow selected flowers and spend the last three weeks of December finishing the float at the Pomona and Pasadena sites. Each year 20 to 25 students are chosen for the Executive Committee positions at each Cal Poly campus. Each person works in a specific field such as electronics, decorations, flower procurement, flower growing,

donations, public relations, transportation, finance, construction, and administration. The purpose of the committee is to design, finance, build and decorate the Cal Poly Pomona and San Luis Obispo entry in the Tournament of Roses Parade. The Rose Float office is in Building 26, Room 131, (909) 869-3620.

Greek Life

The Greek community includes 12 national fraternities and four national sororities with five associate organizations. The men and women of these organizations have the opportunities for leadership, scholarship, campus and community participation, social and athletic programs. Greek life provides an active social environment and the governance structure gives members the opportunity to develop leadership skills which aids in preparation for a successful future. For more information on getting involved in a Greek-letter organization, contact the Coordinator of Greek Affairs in the Office of Student Life or the Greek Affairs Office in the University Plaza, Building 26, Room 130.

Human Corps Volunteer Center (HCVC)

Working in cooperation with the Office of Student Life, the Human Corps Volunteer Center acts as the primary referral source for volunteer opportunities both on and off campus. Through HCVC, individuals and groups may obtain information about placement in various volunteer experiences. We are anxious to match student interest with community needs. Through volunteerism, students are able to obtain valuable hands-on experience, which is a plus when job searching, and at the same time contribute to their community in a positive manner. There are a multitude of diverse volunteer opportunities in which you may become involved.

Music, Theatre, Dance

Opportunities are provided for students to participate in theatrical or dance productions, and in music organizations which include band, orchestra vocal choirs, and smaller vocal and instrumental ensembles. Drama productions include quarterly one-act and three-act plays; musical events include Christmas and Easter programs and a road show tour of California communities. The annual Student-Faculty dance production is presented each spring quarter.

Intercollegiate Athletics

The California State University is committed to providing equal opportunities to men and women students in all campus programs, including intercollegiate athletics.

Intercollegiate Athletics is an integral part of university life and encourages student-athletes to excel academically as well as athletically. Intercollegiate competition is conducted under the policies and procedures of the National Collegiate Athletic Association (NCAA) and the California Collegiate Athletic Association (CCAA), which includes admission levels for participation, with either a minimum SAT score of 820 or an ACT score of 17. A 2.0 GPA in a core curriculum is also required. The intercollegiate program is guided by an athletic board which is composed of Cal Poly Pomona faculty and students. A program of intercollegiate competition for men and women is offered in a variety of sports which include (m) baseball, (m/w) basketball, (m/w) cross-country, (m/w) soccer, (m/w) tennis, (m/w) track and field, (w) volleyball. Information about intramurals can be found in the ASI office, located in University Plaza.

The mission statement for the Department of Intercollegiate Athletics is an integral part of the educational environment of the total university which allows the student to develop mental, physical, social, and emotional discipline, develop the ability to work with others and enhance decision making and leadership skills. Intercollegiate

Athletics can also serve as a University focal point for public relations and social interaction.

Club Sports and Intramurals

A club sports program permits students to compete against similar teams from other colleges and universities in a variety of sports, but at a somewhat more informal level than is found in the varsity sports program. Information about the club sports program may be obtained from the Office of Student Life in University Plaza. An extensive intramural program is an integral part of the university and includes team sports, individual sports and recreational activities. Information regarding intramural sports may be obtained in the ASI Office, Building 26.

Eligibility for Participation in Student Government

University policy requires that students who undertake the responsibilities of major offices in student government or student organizations be in good standing and making reasonable progress toward an educational goal. The following specific eligibility requirements for officers of the associated students, either elected or appointed, and for officers of organizations, either elected or appointed, implement that policy:

- (1) Candidates and incumbents may not be on disciplinary probation.
- (2) Undergraduate candidates and incumbents must have an all-college and Cal Poly Pomona grade point average of at least 2.00 each quarter. Graduate candidates and incumbents must have a graduate grade point average of at least 3.0.
- (3) In order to perform the duties of a student body officer, the student

must be enrolled in this university during each quarter in which he/she performs the duties of that office. Students may elect any one quarter during the academic year when they do not have to be enrolled and maintain eligibility.

- (4) Incumbents of all elected and appointed positions must successfully complete 27 units of academic credit per year. The minimum number of units to be successfully completed in any quarter is nine units.
- (5) These requirements are independent of any additional student government or student organization requirements.

Questions regarding eligibility for elective or appointive office should be addressed to the Senior Director of Student Development, or his designee in Building 15, Room 126.

Eligibility for Intercollegiate Athletics

Eligibility for competition in intercollegiate athletics is regulated in general by the rules of the National Collegiate Athletic Association (NCAA), the California Collegiate Athletic Association (CCAA), and the University Policies and Procedures Statement for the Conduct of Intercollegiate Athletics. A student-athlete must maintain a GPA of 2.0 and complete 36 units of work towards a specified major prior to the beginning of the next competitive season. In particular, prior written authorization from the faculty athletic representative is required for all student athletes who wish to take courses for academic credit at any time at institutions other than this University if the credit is required to become or remain eligible for athletic competition. In absence of the faculty athletic representative, the Registrar's Office may provide the necessary authorization.
