**Please respond to the following short essay questions on a separate page. Please limit your responses to 100 words for each question. Be sure to answer each question completely.**

1. Why are you interested in taking this course?
2. What leadership positions have you helped here at Cal Poly? At you community college? At your high school?
3. Where do you envision yourself to be professionally immediately following graduation from Cal Poly Pomona? Five years after graduation?
4. Describe a significant issue that you are aware of which impacts the field in which you are studying.
5. Who has been a significant role model or mentor to you in our life? Describe the impact this person has had on you.

**Please provide us your class and work schedule for the week of May 22, 2017. We will be scheduling individual interviews with those who have completed this application.**

I understand that a requirement for this class is participation in a 3-day expense paid trip to Sacramento to be scheduled in late November or early December 2017.
