

Instruction Modes (Effective Fall 2023)		
Instruction Modes	PeopleSoft Instruction Mode Values	Instruction Modes
In-person	P	Class meets in-person (in a designated location or locations) for all of the course contact hours prescribed by the course classification and units. Students may be expected to access class materials and/or participate in class activities online.
Hybrid with Asynchronous Component	HA	Class meets in-person (in a designated location or locations) a minimum of 50% of course contact hours prescribed by the course classification and units. Remaining course contact hours are completed asynchronously online.
Hybrid with Synchronous Component	HS	Class meets in-person (in a designated location or locations) a minimum of 50% of course contact hours prescribed by the course classification and units. Remaining course contact hours are completed synchronously online. Students are expected to attend synchronous hours remotely.
Fully Asynchronous	A	All course contact hours prescribed by the course classification and units are delivered online in an asynchronous instruction mode. No scheduled meetings are required.
Fully Synchronous	S	All course contact hours prescribed by the course classification and units are delivered online in a synchronous instruction mode. No in-person meetings are required. Students are expected to attend scheduled meetings remotely.
Bisynchronous	B	All course contact hours prescribed by the course classification and units are delivered online. Course contact hours will be delivered synchronously and asynchronously. Students are expected to attend synchronous hours remotely.
HyFlex	HF	All course contact hours prescribed by the course classification and units are delivered in person, synchronously, and asynchronously. Instruction is provided in the classroom, and for each class meeting, students may choose to attend in-person, synchronously online, or asynchronously online. Faculty may require students to attend up to 25% of class meetings in person, plus the final exam held during finals week. The dates of required in-person meetings must be included in the schedule of classes before students register for the class. Dates may only be changed with documented consent of all students enrolled in the class.
<p>NOTE: Asynchronous instruction is defined as online instruction that allows students to view instructional materials at any time. Synchronous instruction is defined as online or remote broadcast instruction delivered during scheduled class meetings.</p>
