

COLLEGE OF EDUCATION AND INTEGRATIVE STUDIES

<<http://www.csupomona.edu/~ceis>>

Richard A. Navarro, Dean
Teresita E. Aguilar, Associate Dean
Aubrey Fine, Professor

The College of Education and Integrative Studies (CEIS) is comprised of the departments of Ethnic and Women's Studies, Liberal Studies, Education, as well as the Interdisciplinary General Education program. Departments pursue their goals independently and through joint development of pivotal, shared intellectual and social educational principles. There is a common commitment to inquiry-based, interactive instructional strategies and interdisciplinary curriculum.

The International Polytechnic (I-Poly) High School was approved by the Academic Senate to become a program within CEIS. I-Poly offers direct experiences for secondary education students, and offers a model high school education with critical thinking and innovative teaching at its core.

The college's objective is for faculty and students in CEIS to form a holistic and coherent learning community that will begin at the baccalaureate and continue through the professional and master's degree. The mission of the College of Education and Integrative Studies is to educate responsible citizens to take leadership in creating a free and just society, and to act with authenticity and social conscience in an atmosphere of candor and trust.

In pursuit of this educational goal, the college emphasizes excellence, equality, and ethics at all levels in public and private domains, through a broad multicultural and multidisciplinary approach. In its commitment to these principles, CEIS chooses to embrace the ethical dimensions of human inquiry, behavior and interaction in all its educational endeavors. Pluralism and diversity are at the core of its educational philosophy, encouraging a genuine respect for individual and cultural diversity, and an understanding of the forces that impact humans in their local, regional, national and world communities. Consequently, while subscribing to the traditional mission of educational institutions to transmit knowledge, CEIS pledges that this knowledge will not reinforce or maintain unequal or unjust privilege.

CEIS believes that the creative transformation of knowledge is integral to learning. Knowledge, to remain vital, must be discovered by the learner, contemplated, interpreted, discussed, applied and acted upon, for the collective well-being of humans. CEIS pledges to foster knowledge that is broad, inquiry-based, interactive and diverse in form and substance.

INTERDISCIPLINARY GENERAL EDUCATION (IGE) PROGRAM

Nancy Page Fernandez, Director

The Interdisciplinary General Education Program within the College of Education and Integrative Studies addresses the need for an integrated approach to curriculum, teaching, and scholarship and the creation of an extended learning community. The program consists of a 32 unit team-taught, thematically integrated sequence of General Education courses.

DEPARTMENT OF EDUCATION

Dorothy MacNevin, Interim Chair
Barbara Bromley, Coordinator, Special Education
Richard DeNovellis, Graduate Coordinator, Department of Education
Gary Garfield, Coordinator, Field Experiences
Gloria Guzman Johannessen, Coordinator, BCLAD Program

The mission of the Department of Education is to prepare teachers who will serve as educational leaders in our culturally and linguistically diverse society. The Education Department is committed to excellent professional preparation that provides students with the opportunity to acquire the skills, intellectual strategies, critical attitudes, and broad perspectives necessary to serve the needs of schools and communities. Within this context the department seeks to forge meaningful partnerships with schools both locally and globally.

The preparation of teachers at Cal Poly Pomona is a university-wide function. Faculty members from each credential major department and designated university personnel are appointed to serve on the Education Selection Committee. Members of this committee advise on program-related issues as well as student selection. They also serve as departmental advisors to credential and degree students for program planning. The university has been approved to offer programs leading to the following credentials and areas of specialization:

- (1) Basic Teaching Credentials: Multiple Subjects, Single Subject, Multiple and Single Subject/CLAD Emphasis, Multiple and Single Subject/BCLAD (Spanish or Asian languages) Emphasis, Special Education Mild/Moderate (Level I and Level II), Special Education Moderate/Severe (Level I and Level II).
- (2) Specialist Credentials: Agriculture; Adapted Physical Education.
- (3) Certificates: Educational Multimedia, Computers in Education, CLAD.
- (4) Designated Subjects Adult Education Teaching Credentials.

The Cal Poly Pomona Department of Education offers Internship Programs in partnership with a number of districts in the area. The internship is an intensive two-year program which leads to a Clear Credential in Multiple or Single Subjects (Mathematics or Science) or Level I Special Education with the CLAD or BCLAD. During the internship, the intern is employed by a district as a full-time teacher.

The Department of Education offers a Master of Arts in Education with the following options: Curriculum and Instruction, Educational Multimedia, Educational Leadership, and Special Education.

The Department of Education of the California State Polytechnic University, Pomona is committed to the pursuit of excellence in education and to the search for new knowledge about learning and the educational process. The university, through the Department of Education, accepts the responsibility for the preparation of future school teachers, and strives to provide equal educational opportunities for all qualified students who wish to become teachers. The faculty of the Department of Education seeks to develop teachers who:

- 1) exhibit respect for the worth and dignity of all students, regardless of academic achievement, intellectual potential, social maturity, sex; or ethnic, cultural or racial background;
- 2) are academically competent in their field of subject-matter expertise;
- 3) demonstrate pedagogically sound methods of teaching and apply them appropriately to meet individual and collective student needs;
- 4) are committed to lifelong learning, are stimulated by open inquiry, and desire to share these qualities with others.

GENERAL INFORMATION

Public school teaching and credentials in the State of California are

regulated and accredited by the State of California. All programs for students seeking credentials are approved and monitored by the California Commission on Teacher Credentialing (CCTC). Since credential programs described in this publication are subject to change, students are urged to seek current information concerning new credential requirements and deadlines from appropriate advisors in the Department of Education.

The preparation of teachers at Cal Poly Pomona is a university-wide function. Faculty members from each credential major department and designated university personnel are appointed to serve on the Education Selection Committee. Members of this committee advise on program-related issues as well as student selection. They also serve as departmental advisors to credential and degree students for program planning. The university has been approved to offer programs leading to the following credentials and areas of specialization:

- (1) Basic Teaching Credentials: Multiple Subjects, Single Subject, Multiple and Single Subject/CLAD Emphasis, Multiple and Single Subject/BCLAD (Spanish or Asian languages) Emphasis, Special Education Mild/ Moderate (Level I and Level II), Special Education Moderate/Severe (Level I and Level II).
- (2) Specialist Credentials: Agriculture; Adapted Physical Education.
- (3) Certificates: Educational Multimedia, Computers in Education, Resource Specialist, CLAD.

The basic credential programs emphasize the integration of theory and practice in the study of educational foundations, curriculum, methodology, and the teaching of reading. The basic programs are organized around the four themes of Teacher as Reflector, Communicator and Organizer, Researcher and Practitioner, and Professional. The specialist credentials and certificates expand these concepts to enable students to function as specialists in schools and other educational settings.

ADVISEMENT FOR CREDENTIALS

Students should initiate contacts and appointments for appropriate program advisement early in their undergraduate program. Since it is possible to begin the credential program (or to complete a preliminary credential) in the undergraduate years, it is recommended that contact be made with Education during the sophomore year. Students may petition to apply 13 units of credential course work completed while an undergraduate to graduate requirements. Contact Academic Programs, 98-T7-8 for additional information and the appropriate form.

Basic credential information materials can be secured at the Student Services Office, Building 3, Room 123. Information regarding state credential requirements can be obtained from the Cal Poly Pomona Credential Analyst, Building 3, Room 123. Advisement regarding admissions to the professional preparation (credential) programs may be obtained from the Chair of the Department of Education or the appropriate program coordinator. Weekly advisement sessions are held during each academic quarter. Academic advisors are also assigned to individuals seeking a credential upon application to the program.

Advice regarding the academic major is available in each appropriate department. State and CSU credential regulations require students to verify subject matter knowledge for the credential sought by successfully completing the appropriate state adopted examination (Praxis/SSAT) or an appropriate approved academic program of study and an assessment of subject matter competence.

Students seeking the Multiple Subjects Credential will normally major in a pre-credential option in Liberal Studies or Philosophy. A pre-credential option is also offered through Ethnic and Women's Studies for the Multiple Subjects or CLAD credentials. Cal Poly Pomona is approved to offer programs of study in the following subjects for students planning to enter the Single Subject Credential Program:

Agricultural Education	Mathematics
Business Education	Music
English	Physical Education
History (Social Sciences)	Science

REQUIREMENTS FOR CREDENTIALS

The requirements for earning a Clear Multiple Subjects or Single Subject Credential or Special Education Level I are the following:

1. A baccalaureate (or higher) degree, in any major other than professional education, from an accredited institution.
2. Passing scores on the California Basic Education Skills Test (CBEST);
3. Satisfactory completion of at least 2 semester or 3 quarter units of work on the provisions and principles of the Constitution of the United States or successfully passing the appropriate U.S. Constitution examination. (Cal Poly Pomona students automatically fulfill this requirement with completion of a B.A. or B.S. degree.);
4. Satisfactory completion of an approved program of professional preparation, including supervised (student) teaching. This program usually requires four quarters of full-time course work;
5. Satisfactory completion of 6 quarter units of current reading methodology or successfully passing the PRAXIS, "Introduction to the Teaching of Reading Examination," with certification from the discipline area department;
6. Demonstration of subject matter competence in the initial credential area, achieved through completion of the appropriate program of study within a major (2.75 GPA) approved by the California Commission on Teacher Credentialing. The requirement may also be met by passing the appropriate sections of the "Praxis Series: Professional Assessments for Beginning Teachers" and "Single Subject Assessments for Teaching" (SSAT) Examinations. Additionally, all students must successfully complete the subject area department assessment;
7. Effective October 1, 1998, Multiple Subjects Credential candidates must pass the Reading Instruction Competence Assessment (RICA) before being recommended for a Multiple Subjects Credential;
Effective January 1, 2000, Special Education Credential candidates must also pass the RICA before being recommended for a Special Education Preliminary Credential.
8. A fifth year of college or university postgraduate education. Course work taken in graduate status must be at the upper division or graduate level;
9. Satisfactory completion of a course requirement in health education and a current CPR card. (KIN 441 or KIN 442)
10. Satisfactory completion of training in the needs of, and methods of providing educational opportunities to individuals with exceptional needs. TED 501 or TED 551/551A meets this requirement; and,
11. Evidence of completion of computer competence. This requirement may be met through GED 505/505L or equivalent coursework required by the major.

Students may be recommended for a preliminary Single, Multiple, or Special Education Level I credential upon completion of requirements 1-6. Multiple Subjects candidates must complete #7 to obtain the first multiple subjects credential. To obtain a clear Multiple or Single Subject credential, requirements 8-11 must be completed within five years of the date of the issuance of the preliminary credential.

Clearing the Special Education credential requires completion of the Special Education Level II program. Some course work in the basic credential programs may be applied towards a Master of Arts in Education at Cal Poly Pomona. All Level II course work for the Special Education credential may be applied to the MA.

During the junior and senior years, courses in professional education (TED prefix courses) may be taken from the elective units allowed in the major. Course work taken while an undergraduate may be petitioned for graduate credit if the courses are not required for graduation (for a maximum of 13 units). These courses must be upper division or graduate

level in the major, in the Department of Education, or directly related to increasing the student's competency as a teacher. The provisions governing courses taken by undergraduates for graduate credit are found in this catalog under the Academic Policies section of Academic Regulations and Programs.

ADMISSION PROCEDURES FOR THE BASIC CREDENTIAL PROGRAMS

Admission to the university does not constitute admission to the Multiple, Single Subject, or Special Education Teacher Education Program. Undergraduate students must apply for program admission prior to enrolling in methods classes. Undergraduate students who are not admitted to the Multiple, Single Subject, or Special Education Credential Program are not permitted to register in credential program methods courses. All programs utilize the services of a selection committee (the Multiple Subjects Selection Committee, Special Education Selection Committee and Single Subject Selection Committee). The committees are composed of university-wide representatives who make recommendations regarding application to the program. All fifth-year students must apply to and be admitted to the university and the Education Program to enroll in credential methods courses. The process for obtaining a teaching credential includes the following steps:

1. Application and admission to Cal Poly Pomona.
2. Application and admission to the Education Program.
3. Application and admission to supervised (student) teaching.
4. Application for the credential.

STEP 1: REQUIREMENTS FOR ADMISSION TO THE MULTIPLE SUBJECTS, SPECIAL EDUCATION, AND SINGLE SUBJECT PROGRAMS:

1. Attendance at the Education Advisement Session.
2. Completion of University and Department of Education Application.
3. GPA as required in accordance with Executive Order 547. (GPA for each major varies—refer to current list available in the Education Admissions Office.)
4. Letter of Exception if GPA requirement (or any other requirement) is not met.
5. Completion of TED 401/401A - Human Development Learning and Language Acquisition and GED505/505L - Educational Computer Technology
6. Two (2) recommendations. One must be based on academic performance and one on involvement with youth.
7. Submission of passing CBEST scores by the application deadline.
8. Purpose or Statement of Intent for pursuing a teaching credential (to be addressed as an essay).
9. Measles/Rubella Immunization.
10. Character and Identification clearance application (fingerprints). Clearance must be received from (CCTC) prior to supervised teaching. (Students are encouraged to submit this application while enrolled in the TED prerequisite courses.)
11. Two sets of official transcripts required from all colleges/universities attended (submitted with the application to the university).
12. Successful oral interview.
13. BCLAD applicants must take the language assessment test prior to

the TED program application deadline. See BCLAD advisors for details.

Evaluation of the student's qualifications as a credential student, in addition to the above requirements include, but are not limited to the following:

- a. Personal Adjustment: Evidence of satisfactory personal adjustment, habits, interests and attitudes as shown by evaluation instruments, observations, interviews, and faculty ratings.
- b. Physical Fitness: Evidence of good physical health.
- c. Scholarship: Must meet appropriate GPA at the time of admission, and must maintain a GPA of 3.0 in all credential classes attempted; must meet 2.75 GPA requirement in approved subject matter course work. Additionally, to earn a university recommendation for a credential, an earned grade of "B" or better is required in each block of student teaching as well as maintenance of a 3.0 GPA in all credential course work attempted.
- d. Professional Attitude: Documents evidence of ability and willingness to work with pupils, parents and school personnel through successful experiences in working with children and youth/or other school-related activities.

The university sponsorship of the credential applicant is a voluntary act that is offered only when the student has successfully completed (in the judgment of the university) all the professional preparation requirements. These requirements are subject to change. For up-to-date information, students should consult the Department of Education.

STEP 2: REQUIREMENTS FOR ADMISSION TO SUPERVISED (STUDENT) TEACHING:

1. Application for student teaching: Submitted to the Credential Office as far in advance as two quarters prior to supervised teaching. Application deadlines are posted by the Credential Office, Room 5-223. Students seeking supervision on an Emergency Credential must apply for Student Teaching and Emergency Supervision.
2. Evidence of subject matter competence: Provided through either passage of the appropriate Praxis/SSAT exam or completion of the appropriate subject matter program and certification from the discipline area department. Passing scores on the Praxis/SSAT must be received by the application deadline for student teaching and/or verification of completion of the subject matter program and department assessment must be received by the end of the quarter prior to student teaching.
3. Completion of all foundation, methods, and prerequisite courses prior to beginning student teaching. If the applicant is pursuing the CLAD/BCLAD Emphasis, all CLAD and BCLAD emphasis courses must also be completed prior to beginning student teaching. BCLAD students must meet the Spanish language competency requirement.
4. Verification, prior to Selection Committee meeting date, of GPA of 3.0 in all TED courses and 2.75 minimum GPA in all subject matter courses. A grade lower than a "C" in any course is not honored.
5. Verification, prior to Selection Committee meeting date, of the completion of all conditions and/or prerequisites identified at the time of admission to the program.
6. Current T.B. test with negative results.
7. Character and Identification clearance.

Students seeking a Multiple Subjects Credential with a BCLAD Emphasis, must complete all BCLAD option courses prior to supervised (student) teaching.

CalStateTEACH

CalStateTEACH is an 18-22 month alternative, independent learning, on-line and multi-media supported Multiple Subjects CLAD Pre-Intern/Intern Program designed especially for working teachers who have not yet earned a credential. Using the latest technology including the Internet, video and print materials, CalStateTEACH provides a high quality Multiple Subjects CLAD Credential Program for teachers wherever they may live in California. Each participant in this personalized program is supported by a CSU faculty member and an on-site mentor. Participants attend five mandatory Saturday seminars, but no other regular university classes.

Admission requirements: Bachelor's degree, CBEST, teaching employment in a Multiple Subjects setting (usually K-6), two letters of recommendation, 2.75 GPA for the last 60 semester/90 quarter units or 2.67 cumulative GPA and a successful interview. Subject matter requirements for the Multiple Subjects Program must be met before entering Stage Two of the four stage program. The program begins in September and January of each year.

DUAL CREDENTIALS

The Multiple Subjects, Single Subject and Special Education Programs have been designed to facilitate the earning of both Single Subject and Special Education or both Multiple Subjects and Special Education Credentials. Dual credentials can be earned in the integrated TED program with a minimum amount of additional course work and student teaching.

Special Education Candidates also seeking a Multiple Subjects Credential, must meet Subject Matter requirements for the Multiple Subjects Credential, complete one additional quarter of student teaching in a Multiple Subjects classroom (TED 429) and pass the RICA exam.

Special Education Candidates also seeking a Single Subject Credential, must meet the Single Subject Matter requirements, complete one quarter of additional student teaching in the appropriate Single Subject classroom (TED 437), and TED 434/434A Content Area Methods (3,1) and the appropriate Secondary Student Teaching Seminar to accompany student teaching.

Multiple Subjects Candidates seeking a dual Multiple Subjects/Special Education Credential must complete the CPP Clear Multiple Subjects Program and the following:

Mild/Moderate Emphasis:

TED 555/A – Assessment of Students with Disabilities

One quarter of student teaching in a setting appropriate to the credential

Moderate Severe Emphasis:

TED 555/A – Assessment of Students with Disabilities

TED 556/A –Curriculum for Students with Moderately to Severe/Severe Disabilities

One quarter of student teaching in a setting appropriate to the credential

Single Subject Candidates seeking a dual Single Subject/Special Education Credential must complete the CPP Clear Single Subject Program and the following:

Mild/Moderate Emphasis:

TED 431/A – Inquiry, Discovery & Science Education in K-8 Classrooms

TED 425/A – Teaching Mathematics and Problem Solving in K-8 Classrooms

TED 443/A – Structure of Language and Emergent Literacy in Diverse K-8 Classrooms
 TED 444/A – Literacy and Comprehension in K-8 Classrooms
 TED 555/A – Assessment of Students with Disabilities
 One quarter of student teaching in a setting appropriate to the credential

Moderate Severe Emphasis:

TED 431/A – Inquiry, Discovery & Science Education in K-8 Classrooms
 TED 425/A – Teaching Mathematics and Problem Solving in K-8 Classrooms
 TED 443/A – Structure of Language and Emergent Literacy in Diverse K-8 Classrooms
 TED 444/A – Literacy and Comprehension in K-8 Classrooms
 TED 555/A – Assessment of Students with Disabilities
 TED 556/A – Curriculum for Students with Moderate/Severe Disabilities
 One quarter of student teaching in a setting appropriate to the credential

DUAL SPECIAL EDUCATION AND MULTIPLE SUBJECTS OR SINGLE SUBJECT CREDENTIAL WITH A BCLAD EMPHASIS

Special Education students seeking a BCLAD Emphasis must complete the basic Special Education Mild/Moderate or Moderate Severe Program, the additional requirements for the dual credential and the BCLAD language, course work and student teaching requirements.

INTERN CREDENTIAL PROGRAMS

The Cal Poly Pomona Department of Education offers Internship Programs in partnership with a number of districts in the area. The internship is an intensive two-year program which leads to a Clear Credential in Multiple or Single Subjects (Mathematics or Science) or Level I Special Education with the CLAD or BCLAD. During the internship, the intern is employed by a district as a full-time teacher.

Students interested in the Intern Program must attend an Orientation for the Basic Credential Programs and then attend an Intern Orientation. Intern Program Orientations are held twice per quarter. Please contact the Teacher Education Program Admissions Offices for more information, (909) 869-2303, Bldg. 5 -234.

Intern Program Requirements

1. Attendance at the Basic and Intern Program Orientations
2. Admission to the University
3. Successful completion of CBEST
4. Earned baccalaureate
5. Admission to the appropriate credential program (BCAP)
6. Subject Matter Competency
7. Successful interview with the University for the Internship Program
8. Offer of a contract from a participating district in a classroom appropriate to the credential sought
9. Successful completion of the U.S. Constitution requirement
10. Successful completion the following Pre-Intern Program course work:

Educational Computer Technology	GED	505/L	(3/1)
Field Experience and Seminar for Pre-Interns	TED	400	(1/3)
Planning and Presentation through the Visual-spatial, Musical and Kinesthetic Curriculum	TED	456/A	(2/1)

Positive Classroom Interventions	TED	581/A	2,1

11. Payment of appropriate fees
 12. Application for an Intern Credential through the University.
- Continued participation in the Cal Poly Pomona Intern Program requires successful maintenance and completion of all University and employing district standards and conditions.

ADAPTED PHYSICAL EDUCATION SPECIALIST CREDENTIAL

Perky Stromer, Adapted Physical Education Advisor, KHP

This credential, coupled with a single-subject K-12 Physical Education Teaching Credential, authorizes one to teach adapted physical education in California public schools. The APE Credential Program can be included in a master's program.

Prerequisites to admission to the Adapted Physical Education Credential Program are: (1) K-12 Physical Education Teaching Credential and/or Multiple Subject Credential; (2) acceptable grade point average; and, (3) completion of admission to graduate school procedures.

The following courses are required for this credential program:

Motor Assessment for Individuals with Disabilities	KIN	401/401A	(3/1)
Rhythms and Dance for Movement Education	KIN	404/404A	(2/1)
Adapted Physical Education Fieldwork	KIN	405/405A	(2/1)

TED 410 Public Schooling and Literacy (Student Literacy Corps I) (4)

Exploration of issues and strategies related to literacy and literacy instruction are applied to 20 hours of volunteer one-on-one tutoring in the community. TED 410 and 411 are contiguous courses. Credit for TED 410 is earned upon completion of TED 410 and TED 411. 4 seminars.

TED 411 Seminar in Community Tutoring (Student Literacy Corps II) (4)

Problem-solving strategies are applied to 40 hours of volunteer one-on-one tutoring in the community. Participants investigate an independent research topic related to literacy or literacy instruction. 4 seminars. Prerequisite: TED 410. Credit for TED 411 is earned upon completion of TED 410 and TED 411.

TED 412/412A Developing and Implementing a Comprehensive Pre K - 3 Literacy Program (3/1)

Development of literacy in children in grade Pre K - 3. Background information and introduction to the elements of a balanced reading program. Development and organization of an integrated reading program including: phonemic awareness, phonics, decoding, spelling, comprehension and writing. Twenty hours field experience required. Three seminar/discussion; one two-hour activity.

TED 425/425A Teaching Mathematics and Problem Solving in K- 8 Classrooms (2/1)

Principles and methodology of teaching mathematics in the elementary school including instructional design, material selection, and student assessment with an emphasis on problem solving. Twenty hours field experience completed concurrently with student teaching or the equivalent. Two hour seminar/discussion; one two-hour activity. Prerequisites: Passing Score on the CBEST, completion of a Mathematics for Elementary School Teachers course sequence or a passing score on the MSAT. Prerequisites: TED 401/401A and TED 456/456A

TED 427 Multiple Subjects Student Teaching I (8)

Supervised teaching in university-approved classroom. The prospective teacher will experience initial teaching responsibilities in culturally diverse public school settings. Admission to student teaching required. May be repeated upon the advice of the Basic Credentials Coordinator.

TED 428 Seminar in Elementary Student Teaching I (1)

Constructive analysis of problems and procedures of elementary student teaching experiences. Concurrent enrollment in TED 427 required. 1 seminar.

TED 429 Multiple Subjects Student Teaching II (8)

Supervised full-day teaching in university-approved schools. May be repeated upon the advice of the Credential Coordinator. Prerequisites: TED 427.

TED 430 Seminar in Elementary Student Teaching II (1)

Synthesis of knowledge and experiences provided in student teaching for a prospective elementary teacher. Concurrent enrollment in TED 429 required. 1 seminar.

TED 431/431A Inquiry, Discovery and Science Education in K-8 Classrooms (1/1)

Theories, strategies and experiential learning opportunities for science education through inquiry and discovery in diverse classrooms. Topics address: standards, expectations, curricula, materials, assessment, and technology as they relate to the teaching of science. Minimum 20 hours field experience concurrent with student teaching or equivalent. One seminar/discussion; one two-hour activity. Pre-requisites: TED 401/401A and TED 456/456A.

TED 432/432A Content Area Reading in Diverse Classrooms and Structure of Language (3/1)

Examines the role that language, cognition, culture, and social context play in learning subject matter across the curriculum. Presents diagnostic, developmental, and assessment techniques for comprehension of content materials in single-subject classrooms. Minimum 20 hours field experience, concurrent with student teaching or equivalent. 3 seminar/discussion; one two-hour activity. Pre-requisites: TED 401/401A and TED 446/446A.

TED 434/434A Curriculum and Methods for Content Area Teachers (3/1)

Strategies and techniques for teaching in a content area in the secondary schools. Objectives, curriculum, methods and materials used in teaching secondary education. Course will be taught by Single Subject Specialist. Twenty hours of field work/activity required. Three seminar/discussion; one 2-hour activity. Pre-requisites: TED 401/401A and TED 446/446A.

TED 435 Secondary Student Teaching I (4)

Supervised teaching in university-approved classroom. The prospective teacher will experience initial teaching responsibilities in culturally diverse public school settings. Admission to student teaching required. May be repeated upon the advice of the Basic Credentials Coordinator. Concurrent enrollment in TED 436 required.

TED 436 Seminar in Secondary Student Teaching I (1)

Constructive analysis of problems and procedures of secondary student teaching experiences. Concurrent enrollment with TED 435 required.

TED 437 Secondary Student Teaching II (8)

Supervised student teaching in university-approved schools. Concurrent enrollment in TED 438 and TED 440 required. Prerequisites: TED 435 and TED 436.

TED 438 Seminar in Secondary Student Teaching II (1)

Synthesis of knowledge and experiences provided in the student teaching experiences of a prospective secondary teacher. Concurrent enrollment with TED 437 required.

TED 439 Secondary Intern Teaching and Seminar (3-18 units)

Supervised intern teaching in university-approved classrooms. The intern will experience teaching responsibilities in culturally diverse, Single Subject (mathematics or science) public school classrooms. Admission to Single Subject (mathematics or science) Intern Program required. May be repeated for up to 18 units; a minimum of 12 units required.

TED 442/442A Writing in the Content Areas (1/1)

Examines the role that writing plays in learning. Examines the cognitive and socio-cultural characteristics shared by the reading and writing processes. Minimum 20 hours field experience, concurrent with student teaching or equivalent. Pre-requisite: TED 432/432/A. 1 seminar/discussion.

The Ethnic and Women's Studies Department offers an educational program designed to equip students with the knowledge, analytical skills, and experience necessary to effectively live and work in today's diverse society.

History, culture, and contemporary issues are explored and analyzed through the intersecting perspectives of ethnicity, race, class and gender. The curriculum combines an interdisciplinary knowledge of our socio-cultural world with opportunities in service learning, internships, and community fieldwork.

EWS offers a major in Gender, Ethnicity, and Multicultural Studies with two options. The first option will allow for concentrations in African American Studies, Asian American Studies, Chicano/Latino Studies, Native American Studies, or Women's Studies. The second is a pre-credential option preparing students for Multiple Subjects credential programs. The department offers minors in African American Studies, Native American Studies, Asian American Studies, Chicano/Latino Studies, Women's Studies, and an interdisciplinary minor in Multicultural Leadership Studies.

Courses are open to all students in the university. Enrollment is encouraged for those who are seriously concerned about diversity and the quality of life in the 21st-century. Fields in which such concerns can find direct application are teaching, urban planning, social services, politics, recreation, law, the ministry, and others that have a direct bearing on particular ethnic and gender groups.

A new service learning requirement allows students an applied experience prior to graduation. Students have the choice of enrolling in EWS 280, EWS 200 and 400, or service learning designated courses.

INTERDISCIPLINARY GENERAL EDUCATION (IGE)

<<http://www.csupomona.edu/~ceis/IGEIndex.html>>

Nancy Page Fernandez, Director

Nancy Ware

The Interdisciplinary General Education Program (IGE) addresses the need for an integrated approach to curriculum, teaching, and scholarship. IGE is part of the College of Education and Integrative Studies, which shares these goals.

The IGE Program offers first-time freshmen an integrated approach to learning about literature, humanities, social sciences, and the arts. Students must be exempt from or score at least 151 on the EPT to qualify for admission to IGE. The program satisfies 32 units of lower-division general education requirements.

The IGE Program is open to any qualified student or undergraduate department wishing to adopt it as an option, and is the recommended GE pattern for Engineering, Architecture, and Liberal Studies majors. Students may substitute AP credit for up to 2 courses in the IGE Program. For more information, contact the IGE Program Director.

FIRST YEAR (F.W.Sp)

IGE 120 Consciousness and Community (4)

First knowings; origin of consciousness, myth, symbol, performance, and ceremony; prehistory and patterns of living, making of meaning; university experience. 4 lecture discussions. Prerequisite: EPT score of 151 or better. Activity fee may be required.

Prerequisite: IGE 221. Activity fee may be required.

THIRD YEAR (F.W)

IGE 223 Ways of Living: The Contemporary World (4)

Explorations of environmental epistemology, ethics, aesthetics, and biographies; communities and cultures which offer life-enhancing practices; environmental education and responsibility; inquiries are historically grounded in the modern and postmodern worlds; global thinking and doing. 4 lecture discussions. Prerequisite: IGE 222. Activity fee may be required.

IGE 224 Connections Seminar: Exploration and Personal Expression (4)

Research and presentation of an interdisciplinary project which extends and synthesizes themes from the IGE experience. 4 lecture discussions. Prerequisite: IGE 223.

IGE 320 Visions of Science and Technology (4)

Cultural critiques of science and technology from the perspectives of philosophy, literature and visual arts; representations of 19th century American industrialization and investigation of 20th century proliferations; parallels between modern science and versions of science dating from the ancient world. Activity fee may be required. 4 lecture/discussions. Prerequisites: one GE course from each of the following Sub-areas: A1, A2, A3 and C1, C2, C3. GE Synthesis course for Sub-area C4.

LIBERAL STUDIES

<<http://www.csupomona.edu/~ls>>

Stephen H. Bryant, Chair

Joseph S. Block
Karen S. Langlois

The major in Liberal Studies offers a diversified curriculum for those who are attracted to an interdisciplinary program of study. The purposes of Liberal Studies are twofold: (1) to prepare students for graduate work in such fields as law; or for work in business, human services, government, and public relations; or to pursue intellectual fulfillment for its own sake; and (2) to provide the undergraduate preparation for students to teach in the public schools of California. Liberal Studies is approved by the Commission on Teacher Credentialing as a baccalaureate waiver program for entry into a multiple subject or special education program. This credential licenses a person to teach in a self-contained classroom, primarily in elementary schools.

Five options are available. The first is a flexible program of study which assures a breadth of education and provides opportunity for concentration in an area of one's choice. The second is the recommended baccalaureate curriculum preparation for the teaching credential program (monolingual). The third is the baccalaureate curriculum preparation for teaching with a bilingual, cross-cultural Chicano focus. There are also two blended (BA/credential) options for first-time freshmen.

Admission to the Teacher Education Program is by separate application, usually in the senior year. Students choosing a career in education should consult with Teacher Education for entrance requirements for the credential program. Students are also advised that the California Basic Education Skills Test (CBEST) should be taken in their junior year to appropriately address possible deficiencies prior to graduation or application to the Teacher Education program. Students taking the Bilingual/Cross-cultural option should consult with their advisor to ensure that they have the proper coursework and experience to meet the credentialing requirements in this area.

Effective with Academic (or Curriculum) Year 1992-93, students who plan to seek a multiple-subject teaching credential must have their subject-matter competency assessed by the Liberal Studies Department in order to be recommended for entry into the Teacher Education program. See department for specific information on how to complete the assessment process. Note that as part of this process students must have a grade of C or better in each class included in subject matter assessment.

The curriculum includes 11 discipline areas: language studies, literature, mathematics, science, social science, history, humanities, the arts, physical education, human development, and health. By taking the courses listed, the student will satisfy all General Education requirements. Elective courses may be used to satisfy all or part of the requirements for a minor in another subject, a "double" or additional major or a diversified series of courses tailored to the student's own interests, and the professional program in teacher training but only if the student is applying to the Teacher Education program.

All students are assigned an advisor according to the first initial of their last name. Please see department for the list of advisors.

Students will meet with their advisors to obtain class scheduling materials. Advisors are available during the quarter to assist in scheduling relevant courses; to resolve problems of credit for courses

completed at another college or university; to clarify procedures which might facilitate progress toward the degree; to determine which forms students must file with the university prior to taking special actions; and to help with other problems, major or minor, which might affect the student's academic life.
