

## COLLEGE OF EDUCATION AND INTEGRATIVE STUDIES

Richard A. Navarro, Dean

Terrence G. Wiley, Interim Associate Dean

Aubrey Fine

The College of Education and Integrative Studies (SEIS) is comprised of the departments of Ethnic and Women's Studies, Liberal Studies, Education, as well as the Interdisciplinary General Education program. Departments pursue their goals independently and through joint development of pivotal, shared intellectual and social educational principles. There is a common commitment to inquiry-based, interactive instructional strategies and interdisciplinary curriculum.

The school's objective is for faculty and students in SEIS to form a holistic and coherent learning community that will begin at the baccalaureate and continue through the professional and master's degree. The mission of the College of Education and Integrative Studies is to educate responsible citizens to take leadership in creating a free and just society, and to act with authenticity and social conscience in an atmosphere of candor and trust.

In pursuit of this educational goal, the School emphasizes excellence, equality, and ethics at all levels in public and private domains, through a broad multicultural and multidisciplinary approach. In its commitment to these principles, SEIS chooses to embrace the ethical dimensions of human inquiry, behavior and interaction in all its educational endeavors. Pluralism and diversity are at the core of its educational philosophy, encouraging a genuine respect for individual and cultural diversity, and an understanding of the forces that impact humans in their local, regional, national and world communities. Consequently, while subscribing to the traditional mission of educational institutions to transmit knowledge, SEIS pledges that this knowledge will not reinforce or maintain unequal or unjust privilege.

SEIS believes that the creative transformation of knowledge is integral to learning. Knowledge, to remain vital, must be discovered by the learner, contemplated, interpreted, discussed, applied and acted upon, for the collective well-being of humans. SEIS pledges to foster knowledge that is broad, inquiry-based, interactive and diverse in form and substance.

### Interdisciplinary General Education (IGE) Program

Nancy Ware, Acting Director

The Interdisciplinary General Education Program within the College of Education and Integrative Studies addresses the need for an integrated approach to curriculum, teaching, and scholarship and the creation of an extended learning community. The program consists of a 32 unit team-taught, thematically integrated sequence of General Education courses.

The Ethnic and Women's Studies Department offers a program of courses on the history, culture and contemporary issues of ethnic groups and of the study of gender roles in society. The program is designed as an educational forum in which students and faculty explore the parallels of ethnic and gender stratification.

The purpose of Ethnic and Women's Studies is to provide students with the skills, intellectual habits, critical attitudes, and broad perspectives necessary to function in, and contribute to, a changing world. In addition, students need the ability to make sound ethical judgments and to gain a sensitivity to aesthetic and humanistic dimensions of multiculturalism.

EWS offers a major in Gender, Ethnicity, and Multicultural Studies with two options. The first option will allow for concentrations in African American Studies, Asian American Studies, Chicano/Latino Studies, Native American Studies, or Women's Studies. The second is a pre-credential option preparing students for Multiple Subjects or CLAD credential programs. The department offers minors in African American Studies, Native American Studies, Asian American Studies, Chicano/Latino Studies, Women's Studies, and an interdisciplinary minor in Multicultural Leadership Studies.

Courses are open to all students in the university. Enrollment is encouraged for those who are seriously concerned about the quality of life in 21st-century America, and wish to do something about it. Fields in which such concerns can find direct application are teaching, urban planning, social services, politics, recreation, law, the ministry, and others that have a direct bearing on particular ethnic groups.

## INTERDISCIPLINARY GENERAL EDUCATION (IGE)

Nancy Ware, Acting Director

The IGE (Interdisciplinary General Education) Program is a team-taught, thematically integrated sequence of courses that meets many general education requirements in a stimulating intellectual environment. These requirements, which apply to all California State University campuses, help to broaden skills and understanding in areas beyond the major (such as social science, literature, composition). Usually these requirements are fulfilled by taking separate courses.

### FIRST YEAR (F,W,Sp)

#### IGE 120 Consciousness and Community (4)

First knowings; origin of consciousness, myth, symbol, performance, and ceremony; prehistory and patterns of living, making of meaning; university experience. 4 lecture discussions. Prerequisite: EPT score of 151 or better. Activity fee may be required.

#### IGE 121 Rationalism and Revelation: The Ancient World (4)

The nature of tragedy; the ways of warriors, prophets, tyrants, philosophers, and citizens; ethics, convictions, and the sacred. 4 lecture discussions. Prerequisite: IGE 120. Activity fee may be required.

#### IGE 122 Authority and Faith: The Medieval and Renaissance Worlds (4)

Visions of hell, politics, social order, and redemption; constructions of the sacred and secular selves; journey of the soul; private lives and public spaces. 4 lecture discussions. Prerequisite: IGE 121. Activity fee may be required.

### SECOND YEAR (F,W,Sp)

#### IGE 220 Ways of Knowing: Culture and Contact (4)

Explorations of the multiple ways of constructing knowledge (science, art, the sacred as ways of knowing); knowledge as historically grounded in the era of the New World colonial conquest (national artistic cultures, scientific revolution, indigenous sacred articulations of space and time, perceptions of Self and Other). 4 lecture discussions. Prerequisite: IGE 122. Activity fee may be required.

#### IGE 221 Ways of Coexisting: Reform and Revolution (4)

Explorations of urban and global issues (social space; domination, resistance, and revolution; traditional/transitional cultures). Inquiries are historically grounded in the Enlightenment era (rise of individual rights, spirit of revolution, restructuring social, conceptual, and scientific structures). 4 lecture discussions. Prerequisite: IGE 220. Activity fee may be required.

#### IGE 222 Ways of Doing: The Industrial Age (4)

Explorations of technology and human purpose; science and scientists; divergent thinking, gender, genius, and anomalies; emergent ethical frameworks; inquiries are historically grounded in the Industrial Age; individual and collective ideologies; romanticism and realism. 4 lecture discussions. Prerequisite: IGE 221. Activity fee may be required.

### THIRD YEAR (F,W)

#### IGE 223 Ways of Living: The Contemporary World (4)

Explorations of environmental epistemology, ethics, aesthetics, and biographies; communities and cultures which offer life-enhancing practices; environmental education and responsibility; inquiries are historically grounded in the modern and postmodern worlds; global thinking and doing. 4 lecture discussions. Prerequisite: IGE 222. Activity fee may be required.

#### IGE 224 Connections Seminar: Exploration and Personal Expression (4)

Research and presentation of an interdisciplinary project which extends and synthesizes themes from the IGE experience. 4 lecture discussions. Prerequisite: IGE 223 (W)

## LIBERAL STUDIES

Stephen H. Bryant, Interim Chair

Joseph S. Block  
Sheila McCoy  
Karen S. Langlois

The major in Liberal Studies offers a diversified curriculum for those who are attracted to an interdisciplinary program of study. The purposes of Liberal Studies are twofold: (1) to prepare students for graduate work in such fields as law; or for work in business, human services, government, and public relations; or to pursue intellectual fulfillment for its own sake; and (2) to provide the undergraduate preparation for students to teach in the public schools of California. Liberal Studies is approved by the Commission on Teacher Credentialing as a baccalaureate waiver program for entry into a multiple subject or special education program. This credential licenses a person to teach in a self-contained classroom, primarily in elementary schools.

Three options are available. The first is a flexible program of study which assures a breadth of education and provides opportunity for concentration in an area of one's choice. The second is the recommended baccalaureate curriculum preparation for the teaching credential program (monolingual). The third is the baccalaureate curriculum preparation for teaching with a bilingual, cross-cultural Chicano focus.

Admission to the Teacher Education Program is by separate application, usually in the senior year. Students choosing a career in education should consult with Teacher Education for entrance requirements for the credential program. Students are also advised that the California Basic Education Skills Test (CBEST) should be taken in their junior year to appropriately address possible deficiencies prior to graduation or application to the Teacher Education program. Students taking the Bilingual/Cross-cultural option should consult with the department chair to ensure that they have the proper coursework and experience to meet the credentialing requirements in this area.

Effective with Academic (or Curriculum) Year 1992-93, students who plan to seek a multiple-subject teaching credential must have their subject-matter competency assessed by the Liberal Studies Department in order to be recommended for entry into the Teacher Education program. See department for specific information on how to complete the assessment process. Note that as part of this process students must have a grade of C or better in each upper division class.

The curriculum includes 10 discipline areas: language studies, literature, mathematics, science, social science, history, humanities, the arts, physical education, and human development. By taking the courses listed, the student will satisfy all General Education requirements. Elective courses may be used to satisfy all or part of the requirements for a minor in another subject, a "double" or additional major or a diversified series of courses tailored to the student's own interests, and the professional program in teacher training but only if the student is applying to the Teacher Education program.

All students are assigned an advisor according to the first initial of their last name. Please see department for the list of advisors.

Students will meet with their advisors to obtain class scheduling materials. Advisors are available during the quarter to assist in scheduling relevant courses; to resolve problems of credit for courses completed at another college or university; to clarify procedures which might facilitate progress toward the degree; to determine which forms

students must file with the university prior to taking special actions; and to help with other problems, major or minor, which might affect the student's academic life.

### MISSION STATEMENT

The mission of the Department of Education is to prepare teachers who will serve as educational leaders in our culturally and linguistically diverse society. The Education Department is committed to excellent professional preparation that provides students with the opportunity to acquire the skills, intellectual strategies, critical attitudes, and broad perspectives necessary to serve the needs of schools and communities. Within this context the department seeks to forge meaningful partnerships with schools both locally and globally.

PHILOSOPHICAL STATEMENT: The Department of Education of the California State Polytechnic University, Pomona is committed to the pursuit of excellence in education and to the search for new knowledge about learning and the educational process. The university, through the Department of Education, accepts the responsibility for the preparation of future school teachers, and strives to provide equal educational opportunities for all qualified students who wish to become teachers. The faculty of the Department of Education seeks to develop teachers who:

- 1) exhibit respect for the worth and dignity of all students, regardless of academic achievement, intellectual potential, social maturity, sex; or ethnic, cultural or racial background;
- 2) are academically competent in their field of subject-matter expertise;
- 3) demonstrate pedagogically sound methods of teaching and apply them appropriately to meet individual and collective student needs;
- 4) are committed to lifelong learning, are stimulated by open inquiry, and desire to share these qualities with others.

### GENERAL INFORMATION

Public school teaching and credentials in the State of California are regulated and accredited by the State of California. All programs for students seeking credentials are approved and monitored by the

California Commission on Teacher Credentialing (CCTC). Since credential programs described in this publication are subject to change, students are urged to seek current information concerning new credential requirements and deadlines from appropriate advisors in the Department of Education.

The preparation of teachers at Cal Poly Pomona is a university-wide function. Faculty members from each credential major department and designated university personnel are appointed to serve on the Education Selection Committee. Members of this committee advise on program-related issues as well as student selection. They also serve as departmental advisors to credential and degree students for program planning. The university has been approved to offer programs leading to the following credentials and areas of specialization:

- (1) Basic Teaching Credentials: Multiple Subjects, Single Subject, Multiple and Single Subject/CLAD Emphasis, Multiple and Single Subject/BCLAD (Spanish) Emphasis, Special Education Mild/Moderate, Special Education Moderate/Severe.
- (2) Specialist Credentials: Agriculture; Adapted Physical Education.
- (3) Certificates: Educational Multimedia, Computers in Education, Resource Specialist, CLAD.
- (4) Designated Subjects Adult Education Teaching Credentials.

The basic credential programs emphasize the integration of theory and practice in the study of educational foundations, curriculum, methodology, and the teaching of reading. The basic programs are organized around the four themes of Teacher as Reflector, Communicator and Organizer, Researcher and Practitioner, and Professional. The specialist credentials and certificates expand these concepts to enable students to function as specialists in schools and other educational settings.

#### ADVISEMENT FOR CREDENTIALS

Students should initiate contacts and appointments for appropriate program advisement early in their undergraduate program. Since it is possible to begin the credential program (or to complete a preliminary credential) in the undergraduate years, it is recommended that contact be made with Education during the sophomore year. Students may petition to apply 13 units of credential course work completed while an undergraduate to graduate requirements. Contact Academic Programs, 98-T7-8 for additional information and the appropriate form.

Basic credential information materials can be secured at the Education Office, Building 5, Room 223A. Information regarding state credential requirements can be obtained from the Cal Poly Pomona Credential Analyst, Building 5, Room 223. Advisement regarding admissions to the professional preparation (credential) programs may be obtained from the Chair of the Department of Education or the appropriate program coordinator. Weekly advisement sessions are held during each academic quarter. Academic advisors are also assigned to individuals seeking a credential upon application to the program.

Advice regarding the academic major is available in each appropriate department. State and CSU credential regulations require students to verify subject matter knowledge for the credential sought by successfully completing the appropriate state adopted examination (Praxis/SSAT) or an appropriate approved academic program of study and an assessment of subject matter competence.

Students seeking the Multiple Subjects Credential will normally major in a pre-credential option in Liberal Studies or Philosophy. Cal Poly Pomona is approved to offer programs of study in the following subjects for students planning to enter the Single Subject Credential Program:

Agricultural Education	Mathematics
Business Education	Music
English	Physical Education
History (Social Sciences)	Science
Home Economics	

#### REQUIREMENTS FOR CREDENTIALS

The requirements for earning a Clear Multiple Subjects or Single Subject Credential or Special Education Level I are the following:

1. A baccalaureate (or higher) degree, in any major other than professional education, from an accredited institution.
2. Passing scores on the California Basic Education Skills Test (CBEST);
3. Satisfactory completion of at least 2 semester or 3 quarter units of work on the provisions and principles of the Constitution of the United States or successfully passing the appropriate U.S. Constitution examination. (Cal Poly Pomona students automatically fulfill this requirement with completion of a B.A. or B.S. degree.);
4. Satisfactory completion of an approved program of professional preparation, including supervised (student) teaching. This program usually requires four quarters of full-time course work;
5. Satisfactory completion of 6 quarter units of current reading methodology or successfully passing the PRAXIS, "Introduction to the Teaching of Reading Examination," with certification from the discipline area department;
6. Demonstration of subject matter competence in the initial credential area, achieved through completion of the appropriate program of study within a major (2.75 GPA) approved by the California Commission on Teacher Credentialing. The requirement may also be met by passing the appropriate sections of the "Praxis Series: Professional Assessments for Beginning Teachers" and "Single Subject Assessments for Teaching" (SSAT) Examinations. Additionally, all students must successfully complete the subject area department assessment;
7. Effective October 1, 1998, Multiple Subjects Credential candidates must pass the Reading Instruction Competence Assessment (RICA) before being recommended for a Multiple Subjects Credential;  
Effective January 1, 2000, Special Education Credential candidates must also pass the RICA before being recommended for a Special Education Preliminary Credential.
8. A fifth year of college or university postgraduate education. Course work taken in graduate status must be at the upper division or graduate level;
9. Satisfactory completion of a course requirement in health education and a current CPR card. (KIN 441 or KIN 442)
10. Satisfactory completion of training in the needs of, and methods of providing educational opportunities to individuals with exceptional needs. TED 501 or TED 551/551A meets this requirement; and,
11. Evidence of completion of computer competence. This requirement may be met through GED 505/505L or equivalent coursework required by the major.

Students may be recommended for a preliminary Single, Multiple, or Special Education Level I credential upon completion of requirements 1-6. Multiple Subjects candidates must complete #7 to obtain the first multiple subjects credential. To obtain a clear Multiple or Single Subject credential, requirements 8-11 must be completed within five years of the date of the issuance of the

preliminary credential.

Clearing the Special Education credential requires completion of the Special Education Level II program. Some course work in the basic credential programs may be applied towards a Master of Arts in Education at Cal Poly Pomona. All Level II course work for the Special Education credential may be applied to the MA.

During the junior and senior years, courses in professional education (TED prefix courses) may be taken from the elective units allowed in the major. Course work taken while an undergraduate may be petitioned for graduate credit if the courses are not required for graduation (for a maximum of 13 units). These courses must be upper division or graduate level in the major, in the Department of Education, or directly related to increasing the student's competency as a teacher. The provisions governing courses taken by undergraduates for graduate credit are found in this catalog under the Academic Policies section of Academic Regulations and Programs.

### ADMISSION PROCEDURES FOR THE BASIC CREDENTIAL PROGRAMS

Admission to the university does not constitute admission to the Multiple, Single Subject, or Special Education Teacher Education Program. Undergraduate students must apply for program admission prior to enrolling in methods classes. Undergraduate students who are not admitted to the Multiple, Single Subject, or Special Education Credential Program are not permitted to register in credential program methods courses. All programs utilize the services of a selection committee (the Multiple Subjects Selection Committee, Special Education Selection Committee and Single Subject Selection Committee). The committees are composed of university-wide representatives who make recommendations regarding application to the program. All fifth-year students must apply to and be admitted to the university and the Education Program to enroll in credential methods courses. The process for obtaining a teaching credential includes the following steps:

1. Application and admission to Cal Poly Pomona.
2. Application and admission to the Education Program.
3. Application and admission to supervised (student) teaching.
4. Application for the credential.

#### STEP 1: REQUIREMENTS FOR ADMISSION TO THE MULTIPLE SUBJECTS, SPECIAL EDUCATION, AND SINGLE SUBJECT PROGRAMS:

1. Attendance at the Education Advisement Session.
2. Completion of University and Department of Education Application.
3. GPA as required in accordance with Executive Order 547. (GPA for each major varies—refer to current list available in the Education Admissions Office.)
4. Letter of Exception if GPA requirement (or any other requirement) is not met.
5. Completion of TED 401/401A - Human Development Learning and Language Acquisition and GED505/505L - Educational Computer Technology
6. Two (2) recommendations. One must be based on academic performance and one on involvement with youth.
7. Submission of passing CBEST scores by the application deadline.
8. Purpose or Statement of Intent for pursuing a teaching credential (to be addressed as an essay).

9. Measles/Rubella Immunization.

10. Character and Identification clearance application (fingerprints). Clearance must be received from (CCTC) prior to supervised teaching. (Students are encouraged to submit this application while enrolled in the TED prerequisite courses.)

11. Two sets of official transcripts required from all colleges/universities attended (submitted with the application to the university).

12. Successful oral interview.

13. BCLAD applicants must take the language assessment test prior to the TED program application deadline. See BCLAD advisors for details.

Evaluation of the student's qualifications as a credential student, in addition to the above requirements include, but are not limited to the following:

- a. Personal Adjustment: Evidence of satisfactory personal adjustment, habits, interests and attitudes as shown by evaluation instruments, observations, interviews, and faculty ratings.
- b. Physical Fitness: Evidence of good physical health.
- c. Scholarship: Must meet appropriate GPA at the time of admission, and must maintain a GPA of 3.0 in all credential classes attempted; must meet 2.75 GPA requirement in approved subject matter course work. Additionally, to earn a university recommendation for a credential, an earned grade of "B" or better is required in each block of student teaching as well as maintenance of a 3.0 GPA in all credential course work attempted.
- d. Professional Attitude: Documents evidence of ability and willingness to work with pupils, parents and school personnel through successful experiences in working with children and youth/or other school-related activities.

The university sponsorship of the credential applicant is a voluntary act that is offered only when the student has successfully completed (in the judgment of the university) all the professional preparation requirements. These requirements are subject to change. For up-to-date information, students should consult the Department of Education.

#### STEP 2: REQUIREMENTS FOR ADMISSION TO SUPERVISED (STUDENT) TEACHING:

1. Application for student teaching: Submitted to the Credential Office as far in advance as two quarters prior to supervised teaching. Application deadlines are posted by the Credential Office, Room 5-223. Students seeking supervision on an Emergency Credential must apply for Student Teaching and Emergency Supervision.
2. Evidence of subject matter competence: Provided through either passage of the appropriate Praxis/SSAT exam or completion of the appropriate subject matter program and certification from the discipline area department. Passing scores on the Praxis/SSAT must be received by the application deadline for student teaching and/or verification of completion of the subject matter program and department assessment must be received by the end of the quarter prior to student teaching.
3. Completion of all foundation, methods, and prerequisite courses prior to beginning student teaching. If the applicant is pursuing the CLAD/BCLAD Emphasis, all CLAD and BCLAD emphasis courses must also be completed prior to beginning student teaching. BCLAD students must meet the Spanish language competency requirement.

4. Verification, prior to Selection Committee meeting date, of GPA of 3.0 in all TED courses and 2.75 minimum GPA in all subject matter courses. A grade lower than a "C" in any course is not honored.
5. Verification, prior to Selection Committee meeting date, of the completion of all conditions and/or prerequisites identified at the time of admission to the program.
6. Current T.B. test with negative results.
7. Character and Identification clearance.

**MULTIPLE SUBJECTS PROGRAM**

The following is the program of study for Multiple Subjects Credential candidates. Students must be officially admitted to the Multiple Subjects Credential Program prior to registering for any of the TED methodology courses. Only nine quarter units of TED course work may be completed before admission to the program.

**Professional Clear Credential Courses**

Individuals earning a preliminary credential have five years in which to complete the appropriate course work and apply for a Clear Credential

Elementary School Health Education . . . . .	KIN 441	3
--	---------	---

CPR Level B or Community CPR

Note: The Special Education Clear Credential requirement is met through the basic program and the Computer Technology Clear Credential requirement is met through the pre-requisite course, GED 505/505L. Other approved courses may meet the computer literacy requirement. See an advisor or the Credential Analyst for a listing of all approved computer/technology courses. Liberal Studies pre-credential majors may meet the requirement for TED 401/401A by completing the following: TED 302/302A and TED 303/303A or TED 301 and LS 404, LS 405, ENG 323 and PSY 311.

**MULTIPLE SUBJECTS CROSSCULTURAL, LANGUAGE, AND ACADEMIC DEVELOPMENT (CLAD) EMPHASIS**

Students seeking a Multiple Subjects Credential may add a CLAD Emphasis to the Credential by completing the basic Multiple Subjects Program and the following:

- (1) One year (6 semester or 9 quarter units) of a language other than English (one language) with an earned "C" or better or the equivalent.
- (2) One quarter of supervised teaching in a setting for English language development and Specially Designed Academic Content Instruction in English (SDAIE).

**MULTIPLE SUBJECTS BILINGUAL (SPANISH) CROSSCULTURAL, LANGUAGE, AND ACADEMIC DEVELOPMENT (BCLAD) EMPHASIS**

Students seeking a Multiple Subjects Credential may add a BCLAD (Spanish) Emphasis to the Credential by completing the basic Multiple Subjects Program and the following:

- (1) Spanish language proficiency at the intermediate level or greater in listening, speaking, reading and writing Spanish. (Initial assessment through examination must be completed prior to application to the program.)
- (2) Required Course Work  
Two of the following EWS courses:  
Chicano/Latino Experience . . . . . EWS 202 (4)  
Chicano/Latino Contemporary Issues . . . . . EWS 402 (4)

- (3) One quarter of supervised teaching in a setting in which literacy and academic content are taught in Spanish and English Language Development and Specially Designed Academic Content Instruction in English (SDAIE) skills are implemented.

Students seeking a Multiple Subjects Credential with a BCLAD Emphasis, must complete all BCLAD option courses prior to supervised (student) teaching.

**SINGLE SUBJECT PROGRAM**

The following is the program of study for Single Subject Credential candidates. Students must be officially admitted to the Single Subject Credential Program prior to registering for any of the TED methodology courses. Only nine quarter units of TED program course work may be completed before admission to the program.

**DUAL CREDENTIALS**

The Multiple Subjects, Single Subject and Special Education Programs have been designed to facilitate the earning of dual Single Subject and Special Education or dual Multiple Subjects and Special Education Credentials. Dual credentials can be earned in the integrated TED program with a minimum amount of additional course work and student teaching.

Special Education Candidates also seeking a Multiple Subjects Credential, must meet Subject Matter requirements for the Multiple Subjects Credential, complete one additional quarter of student teaching in a Multiple Subjects classroom (TED 429) and pass the RICA exam.

Special Education Candidates also seeking a Single Subject Credential, must meet the Single Subject Matter requirements, complete one quarter of additional student teaching in the appropriate Single Subject classroom (TED 437), and TED 434/434A Content Area Methods (3,1) and the appropriate Secondary Student Teaching Seminar to accompany student teaching.

Multiple Subjects Candidates seeking a dual Multiple Subjects/Special Education Credential must complete the CPP Clear Multiple Subjects Program and the following:

**Mild/Moderate Emphasis:**

TED 555/A – Assessment of Students with Disabilities

One quarter of student teaching in a setting appropriate to the credential

**Moderate Severe Emphasis:**

TED 555/A – Assessment of Students with Disabilities

TED 556/A –Curriculum for Students with Moderately to Severe/Severe Disabilities

One quarter of student teaching in a setting appropriate to the credential

Single Subject Candidates seeking a dual Single Subject/Special Education Credential must complete the CPP Clear Single Subject Program and the following:

**Mild/Moderate Emphasis:**

TED 431/A – Inquiry, Discovery & Science Education in K-8 Classrooms

TED 425/A – Teaching Mathematics and Problem Solving in K-8 Classrooms

TED 443/A – Structure of Language and Emergent Literacy in Diverse K-8 Classrooms

TED 444/A – Literacy and Comprehension in K-8 Classrooms

TED 555/A – Assessment of Students with Disabilities  
 One quarter of student teaching in a setting appropriate to the credential  
 Moderate Severe Emphasis:

TED 431/A – Inquiry, Discovery & Science Education in K-8 Classrooms  
 TED 425/A – Teaching Mathematics and Problem Solving in K-8  
 Classrooms

TED 443/A – Structure of Language and Emergent Literacy in Diverse  
 K-8 Classrooms

TED 444/A – Literacy and Comprehension in K-8 Classrooms

TED 555/A – Assessment of Students with Disabilities

TED 556/A – Curriculum for Students with Moderate/Severe Disabilities

One quarter of student teaching in a setting appropriate to the credential

**DUAL SPECIAL EDUCATION AND MULTIPLE SUBJECTS OR SINGLE SUBJECT  
 CREDENTIAL WITH A BCLAD EMPHASIS**

Special Education students seeking a BCLAD Emphasis must complete  
 the basic Special Education Mild/Moderate or Moderate Severe  
 Program, the additional requirements for the dual credential and the  
 BCLAD language, course work and student teaching requirements.

**INTERN CREDENTIAL PROGRAMS**

Cal Poly Pomona Department of Teacher Education offers Internship  
 Programs in partnership with a number of districts in the area. The  
 internship is an intensive two-year program which leads to a Clear  
 Credential in Multiple or Single Subjects (Mathematics or Science) or  
 Level I Special Education with the CLAD or BCLAD. During the  
 internship, the intern is employed by a district as a full-time teacher.

Students interested in the Intern Program must attend an Orientation for  
 the Basic Credential Programs and then attend an Intern Orientation.  
 Intern Program Orientations are held twice per quarter. Please contact  
 the Teacher Education Admissions Offices for more information, (909)  
 869-2303, Bldg. 5 -223A.

**Intern Program Requirements**

1. Attendance at the Basic and Intern Program Orientations
2. Admission to the University
3. Successful completion of CBEST
4. Earned baccalaureate
5. Admission to the appropriate credential program (BCAP)
6. Subject Matter Competency
7. Successful interview with the University for the Internship Program
8. Offer of a contract from a participating district in a classroom  
 appropriate to the credential sought
9. Successful completion of the U.S. Constitution requirement
10. Successful completion the following Pre-Intern Program course  
 work:

Educational Computer Technology . . . . .	GED	505/L	(3/1)
Field Experience and Seminar for Pre-Interns . . . . .	TED	400	(1/3)
Planning and Presentation through the Visual- spatial, Musical and Kinesthetic Curriculum . . . . .	TED	456/A	(2/1)
or			
Planning and Presentation in Secondary Classrooms . . . . .	TED	446/A	(2/1)

or			

Content Area Reading in Diverse Classrooms Structure of Language . . . . .	TED	432/A	3,1
Positive Classroom Interventions . . . . .	TED	581/A	2,1

11. Payment of appropriate fees
12. Application for an Intern Credential through the University.

Continued participation in the Cal Poly Pomona Intern Program requires  
 successful maintenance and completion of all University and employing  
 district standards and conditions.

**RESOURCE SPECIALIST CERTIFICATE OF COMPETENCE**

A Resource Specialist Certificate of Competence in Special Education  
 was approved (August 1981) by the California Commission on Teacher  
 Credentialing for Cal Poly Pomona. Admission to the university does not  
 constitute automatic admission to the Special Education Resource  
 Specialist Certificate program.

The Resource Specialist Certificate of Competence program has been  
 approved by the Commission of Teacher Credentialing.

Requirements for admission to the Resource Specialist program:

1. Application to the Resource Specialist program (available from the  
 Coordinator of Special Education).
2. Minimum undergraduate GPA of 2.75 or graduate GPA of 3.0.
3. EITHER possession of a valid California special education credential  
 (LH, SH, CH, OH, or VH) OR concurrent enrollment in a California  
 Special Education credential program.
4. Three letters of recommendation to the Resource Specialist  
 program.

The university sponsorship of the certificate applicant is a voluntary  
 act that is offered only when the student has successfully  
 completed (in the judgement of the university) all the professional  
 preparation requirements. These requirements are subject to  
 change. For up-to-date information, students should consult the  
 Coordinator of Special Education.

The following courses (16 units) will be utilized to complete this  
 certificate program:

**ADAPTED PHYSICAL EDUCATION SPECIALIST CREDENTIAL**

Perky Stromer, Adapted Physical Education Advisor, KHP

This credential, coupled with a single-subject K-12 Physical Education  
 Teaching Credential, authorizes one to teach adapted physical education  
 in California public schools. The APE Credential Program can be included  
 in a master's program.

Prerequisites to admission to the Adapted Physical Education Credential  
 Program are: (1) K-12 Physical Education Teaching Credential and/or  
 Multiple Subject Credential; (2) acceptable grade point average; and, (3)  
 completion of admission to graduate school procedures.

The following courses are required for this credential program:
