

Cal Poly Pomona Rideshare Program Rules and Regulations

I. Purpose

Cal Poly Pomona offers a Rideshare Program designed to reduce the number of single occupant vehicle (SOV) trips to the campus. The Rideshare Program has two goals: First, the program has been established to mitigate parking demand and traffic congestion on the main campus. Second, the program is aimed at faculty and staff and designed to help the campus comply with the Federal Clean Air Act and South Coast Air Quality Management District (AQMD) Rule 2202. The Rule requires employers with 250 or more employees to provide commute options during the peak commute hours of 6-10 AM, which reduces mobile source emissions.

II. General Regulations

A. Participation – Faculty/Staff

All State, Foundation, and ASI employees are eligible to participate in the Cal Poly Pomona Rideshare program. This is a voluntary program and not a right of employment. The Rideshare Office reserves the right to deny enrollment to anyone who does not meet the qualification requirements or fails to comply with the rules and regulations detailed herein. Participants must comply with the regulations of the program and must practice good conduct in order to retain participation privileges. Failure to comply may result in program disqualification. Depending on the severity of the abuse, the case may also be referred to the appropriate Dean or Vice President.

B. Participation – Students

All students at Cal Poly Pomona are eligible to participate in the Rideshare program and students are encouraged to rideshare to the campus. However, students are not eligible for financial incentives. To participate in the Student Rideshare Program you must follow these rules:

- Have a valid Cal Poly Pomona student parking permit
- Drive up to the Student Rideshare Booth with at least one passenger in your car and show your parking permit to the booth attendant
- Display the Rideshare permit on your dashboard and hang your parking permit on your mirror
- Make sure that your Rideshare permit and parking permit are properly displayed.

This is a daily process and student rideshare permits are only valid on the day they are issued. No registration (this is not quite clear) is required for students

to park in student carpool spaces. Passes are issued from 7 a.m. to 12 p.m. Monday through Friday. Any student with a valid Cal Poly parking permit may park in student rideshare spaces after 12 p.m.

Students who live in the Village or Residence Halls DO NOT qualify for the student rideshare permit.

Students who live within a one mile radius of the campus are not eligible.

Students cannot pick up other students from surface lots on campus to obtain a rideshare permit.

Students who disregard the rules will be subject to a parking citation, student discipline from Judicial Affairs, and permanent dismissal from the Rideshare program. Misuse of student rideshare parking is subject to a \$230 fine.

No daily rideshare permits will be issued to carpool teams with an expired parking permit.

C. Restrictions and Requirements

In general, members may only receive monthly financial incentives from one commute option. See [Incentive Program III.A.](#) However, in certain circumstances multiple commute options may be reimbursed. Please contact the Rideshare Office prior to requesting reimbursement for multiple modes of transportation to discuss eligibility.

Members must meet and maintain the qualifications of the program. See [Eligibility V.A.](#)

The consistent submission of Rideshare Tracking forms is required. See [Tracking and Monitoring VII.A.](#)

This rules and regulations document may not contain all Cal Poly Pomona Rideshare program restrictions. There may be other circumstances that arise. Each situation will be evaluated as needed and the Rideshare Office will determine the appropriate solution at that time.

D. Abuse of Incentives

Submitting false information on documents submitted to the Cal Poly Pomona Rideshare Program is misuse of State funds and is illegal. Members who submit false documentation are subject to losing their program participation and/or incentive privileges, disciplinary action or criminal prosecution. Depending on the severity of the abuse, the case may also be referred to the appropriate Dean or Vice President.

E. Notification of Status Obligation

Employees are responsible for notifying the Rideshare Office of changes in employment status, transportation mode, change of rider(s), name and address changes, purchase of parking permit, or any update for which they receive incentives.

F. Yearly Commute Reduction Plan and Commuter Survey

The University is required to submit an annual Employee Commute Reduction Plan to the AQMD in compliance with Rule 2202. This plan includes details of the Rideshare program, incentives, and data collected from the Annual Commuter Survey. This survey tracks how employees travel to campus over a five-day period, Monday through Friday. The survey is used to calculate our average vehicle ridership (AVR) by asking employees how they came to work. All State, Foundation, ASI, and student assistant employees are required to complete the survey.

III. Incentive Program

A. Commute Options

Rideshare Office must receive and approve registration forms, and the new member must have an orientation before incentives can be paid.

B. Evaluation

Eligibility is based on the criteria specified in [section V.A.](#) The Rideshare Office will review the registration, then approve or deny the applicant. VII. Tracking and Monitoring

A. Daily Rideshare Record

Members must keep track of how they commute to campus on the Daily Rideshare Record forms. Vanpool members do not need to turn in a Daily Rideshare Record as the van driver provides a daily rider log for all passengers. Forms may be submitted in person, by fax, e-mail, drop box, or through campus mail. The Rideshare Office is not responsible for fax failures or mail delays. Daily Rideshare Records must be received by the due date on the form. Claims on tracking forms must be true and correct. Incentives will not be paid on late forms, no exceptions. Program disqualification may result if a member reports false information.

B. Maintaining Program Eligibility

Members must submit Daily Rideshare Records on a consistent basis and those records must demonstrate they are ridesharing on a regular basis to be eligible for incentives and benefits. Failure to submit Daily Rideshare Records for two consecutive months may result in program disqualification and loss of program benefits. Also, failure to rideshare for two consecutive months may result in program disqualification, even if Daily Rideshare Records are submitted. Allowance is made for employees working one quarter per year, on sabbatical, temporary assignment, medical leave, etc.

C. Valid Days to Claim Incentives

Incentives will only be paid out for scheduled workdays Monday - Friday to employees who arrive on campus to work between 6-10 AM. Members cannot claim incentives on sick days, vacation, holidays, travel days, jury duty, off peak hours, campus closure or any non-commute days.

D. Daily Rideshare Record Courtesy Reminder

The Rideshare Office will make every effort to send a monthly e-mail reminder to alert members of the Daily Rideshare Record due date. It is the member's responsibility to send in tracking forms by the deadline even if no reminder is sent.

E. Monitoring

Daily Records will be monitored for consistency by the Rideshare Office. In-depth audits will be performed at random by the Rideshare Office and the AQMD.

VIII. Parking and Enforcement

A. Rideshare Parking

Preferred Rideshare parking spaces are designated for Rideshare members who display a Rideshare parking sticker on their parking permit. The spaces are reserved for members Monday through Friday, 7 AM-1 PM. After 1 PM, any employee with a valid Faculty/Staff parking permit is allowed to park in the Rideshare spaces.

B. Preferred Parking Rideshare Sticker

Quarterly Rideshare stickers are issued to members who are in possession of a quarterly or annual parking permit upon registration and when parking permits are issued. Rideshare stickers expire on the date indicated on the sticker. The Rideshare Office will only issue one (1) quarterly rideshare sticker per member. Stickers are not transferable.

Members are responsible for renewing Rideshare stickers each quarter. The Rideshare Office will notify permit holders when quarterly stickers are available.

Daily records are reviewed to ensure that each member continues to meet program eligibility requirements and is an active member prior to issuing a new Rideshare sticker. The Rideshare Office reserves the right to recall Rideshare stickers as warranted.

C. Rideshare Parking Probation

Rideshare members who have not met program requirements, specifically failure to submit tracking forms for two consecutive months, will not be issued a new Rideshare sticker. Members will be placed on "probation" for three (3) months and must reestablish themselves in the program by submitting tracking forms during their probationary period. Renewal requests will be evaluated once the probationary period is over.
