Morning and Afternoon Temperature Chart

Directions: On the chart, color the boxes for each day to match the color for the temperature reading in the morning and the afternoon. For example, if the morning temperature on Monday was cool, color the "Morning Temperatures" box green.

Hot	
Warm	
Cool	
Cold	

	Monday	Tuesday	Wednesday	Thursday	Friday
Morning Temperatures					
Afternoon Temperatures					
What Changed? (Temperature got warmer, cooler, or stayed the same)
