

California State Polytechnic University, Pomona  
 Computer Science Department  
**Evaluation of Student Achievement**

Student Name \_\_\_\_\_ Bronco # \_\_\_\_\_

Title of Thesis \_\_\_\_\_

Date of Defense \_\_\_\_\_

**I. Student Record**

Cal Poly Pomona GPA \_\_\_\_\_ Overall GPA \_\_\_\_\_

Publication List (if any) \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**II. Evaluation**

Evaluator Name \_\_\_\_\_

Your Role: \_\_\_\_\_ Thesis Advisor \_\_\_\_\_ Committee Member

Based on the student's coursework and thesis, please rate the student on the following learning outcomes (5=excellent, 4=very good, 3=good, 2=fair, 1=poor, N/A=not applicable, not assessed). Please circle the appropriate value.

Student Learning Outcome	Evaluation					
	5	4	3	2	1	N/A
Demonstrate advanced knowledge in algorithm design and analysis						
Demonstrate advanced knowledge in computer architecture						
Demonstrate advanced knowledge in software systems						
Demonstrate focused knowledge in areas of specialization in computer science						
Demonstrate ability to analyze and use existing CS literature						
Demonstrate ability to identify, formulate and solve problems within the discipline						
Demonstrate effective written communication skills						
Demonstrate effective oral communication skills
