Update of Policy on Assigned Time for Exceptional Levels of Service to Students

Background

On 03.11.15 The Academic Senate adopted a policy Assigned Time for Exceptional Levels of Service to Students. At that time it was assumed that the availability of release time would end with the expiration of the Collective Bargaining Agreement in 2017. Timelines were included in the policy for Academic Years 2015-16 and 16-17 with no provision for future academic years in case the program continued. The CBA was extended until 2020 and there's also a possibility that future CBAs may continue to include this initiative. Therefore the policy should be revised to account for certain and potential continued funding. Adjustments may also be appropriate due to the conversion to Semesters. The Academic Senate Office has put together a timeline for AY 18-19, it would be ideal if the FAC can provide feedback in case adjustments might be needed.

Discussion

The Faculty Affairs committee (FAC) discussed this issue and believed the policy should be altered so that the program could exist every year it is funded.

Recommendation

The FAC recommends we adopt the new policy in which the dates for forming the committee, the due dates for the applications, and the acceptance notifications are now given weeks in semester (e.g., Friday of week 10) instead of specific calendar dates (e.g., November 18th) that would have to be changed every year. Thus, the policy should be changed to as seen below:

**POLICY ON ASSIGNED TIME
FOR EXCEPTIONAL LEVELS OF SERVICE TO STUDENTS**

1. PURPOSE

To provide a process for Unit 3 faculty employees, as defined in the ~~2014-2017~~ Collective Bargaining Agreement (CBA) between CSU and the faculty, to write proposals and compete for assigned time for exceptional levels of service to students that supports the priorities of the California State University (CSU) system and support the Mission and Strategic Plan of Cal Poly Pomona (CPP) pursuant to Article 20.37 of the (CBA).

2.1. Membership

3. ASSIGNED TIME BUDGET AND REPORTING

Pursuant to the above-referenced article of the CBA, the CSU has agreed to provide resources to each campus for assigned time for exceptional service to students based on the number of full-time equivalent students at that campus.
