UPD Engagement Plan

Presented to Academic Senate

November 13, 2019

Engagement Strategies

Express commitment to a deeper engagement with the campus community through activities such as:

- **UPD membership on Campus Climate Response Team to coordinate with campus partners on incidents that arise through various channels.**
- **Hold open houses at UPD and participate in open houses around campus**
- **Host periodic safety walks and ride-along opportunities for campus community to participate**
- **Update website and social media to provide clarity on policies and officer trainings**
