TITLE OF REFERRAL: GE-017-201: EWS 2021: Latina and Latino American Historical Experience (New Area F, revision from D3)

BACKGROUND:

This is a new Area F course revised from an existing Area D3. For course information see Curriculog.

RESOURCES CONSULTED:

Office of Academic Programs, Ethnic Studies Ad Hoc Committee.

DISCUSSION:

This new Area F course from the EWS Department is based on a longstanding Area D3 course and thus needed only a few modifications to bring it into compliance with the Area F GE requirement. As is required, this course demonstrates and interdisciplinary and comparative study of race and ethnicity with special focus on four historically defined racialized core groups, with this one in particular focusing on Latina and Latino Americans. The course fulfills all the requirements in assessment, written assignments, and activities that promote intellectual or culture growth. The GE Committee unanimously passed this referral.

RECOMMENDATION:

The GE Committee recommends the Academic Senate adopt GE-017-20: EWS 2021: Latina and Latino American Historical Experience (New Area F, revision from D3).
