First Reading

TITLE OF REFERRAL: ENG 2332/EWS 2332: Literature and the African American Experience (C2 & Area F)

BACKGROUND: This is a request from the English & Modern Languages and the Ethnic and Women's Studies Departments to modify an existing C2 course currently offered by English & Modern Languages. The ECO has been significantly updated using an Ethnic Studies framework to cross-list with the Ethnic and Women's Studies department and to support Area F SLOs. Thus, the referral seeks approval of the course as a C2 and Area F.

RESOURCES CONSULTED: N/A

DISCUSSION: The modifications to this existing course ECO fit the Area F requirements to be included in the GE curriculum, while still maintaining the Area C2 requirements.

RECOMMENDATION: The General Education Committee unanimously recommends approval of GE-011-212: ENG 2332/EWS 2332: Literature and the African American Experience (Area C2 & Area F)
