14th ANNUAL WIRELESS TELECOMMUNICATIONS SYMPOSIUM (WTS 2015)
April 15-17, 2015, New York City, NY, USA
Technical Co-Sponsor: IEEE Communications Society

We invite the submission of applied research papers to the 14th Annual Wireless Telecommunications Symposium, WTS 2015, which will be held April 15-17, 2015 in New York City, NY, USA. For further information, visit www.csupomona.edu/wtsi.

The Wireless Telecommunications Symposium brings together industry professionals and academics from companies, governmental agencies, and universities around the world to exchange information on advances in mobile communications and wireless networking technology, business, policy, applications and security. Past WTS participants have included Dr. Vinton Cerf, Dr. Robert Kahn, and Dr. Leonard Kleinrock, Internet pioneers; Martin Cooper, "Father of the Cell Phone"; Dr. Irwin Jacobs, Co-Founder and Chairman of QUALCOMM; and Mike Lazaridis, Founder and former Vice-Chairman, Blackberry.

The theme for WTS 2015 will be "Wireless Communications: A Multidisciplinary Perspective". Planned highlights of WTS 2015 include executive presentations and keynote addresses; presentations of accepted academic and practitioner research papers; panel discussions; tutorials and workshops; a poster paper session; and a doctoral students’ session. Accepted and presented papers will be published in the conference proceedings and submitted to IEEE Xplore as well as other Abstracting and Indexing (A&I) databases. The proceedings also will be distributed at the Symposium via a CD. Awards will be given for the most outstanding paper presented and best graduate and undergraduate student papers presented. Some selected high quality papers from WTS 2015 will be considered for publication in the International Journal of Interdisciplinary Telecommunications & Networking, IGI Global publisher, pending their successful extension and an expedited review process. Topic areas of interest include, but are not limited to, the following:

- Wireless Internet and Multimedia
- Satellite Based Systems
- Global Wireless Services, Business & Applications
- Mobile Operating Systems & Architectures
- Mobile and Wireless Network Security and Privacy
- Wireless Modeling, Algorithms & Simulation
- QoS and Wireless Network Reliability
- Mobile & Cloud Computing
- Wireless and Healthcare
- Spread-Spectrum/CDMA/OFDM Technologies
- RFID Systems & Applications
- Wireless Communications Investments & Ventures
- WLANs, WPANs, and Femtocells
- 4G Wireless Networks & Systems
- Wireless and New Media
- Ad Hoc and Sensor Networks
- Spectrum Management and Policy
- Wireless M2M and Home Networks
- Wireless Telecommunications Management
- GPS and Indoor Geolocation Systems
- Mobile Cellular TV
- Underwater Acoustic networks

IMPORTANT DATES:
January 11, 2015 Paper submission deadline
February 8, 2015 Notification of acceptance
March 8, 2015 Camera-ready submissions

WTS 2015 PROGRAM COMMITTEE CHAIRS:
Dr. Izabella Lokshina, SUNY Oneonta, USA, izabella.lokshina@oneonta.edu
Dr. Albena Mihovska, Center for TeleInfrastruktur (CTIF), Aalborg University, DK, albena@es.aau.dk

WTS COMMITTEE CHAIRS:
General Chair: Dr. Steven Powell, Cal Poly Pomona Program Chair: Dr. JP Shim, Georgia St. Univ.
