EC 201 - Principles of Economics (4) (D2)

There are no units associated with the Computer Proficiency Skills Test. If the test is passed, then unrestricted electives in subplan/option selected may be increased by 4 units.

**Total Units:** 20-24

### Unrestricted Electives
Select a sufficient number of courses so that the total from “Required Support”, “GE”, and “Unrestricted Electives” is at least 88 units.

**Note:** The number of unrestricted elective units depends on whether or not STA 120 and EC 201 or EC 202 or PSY 201 are used for General Education (see curriculum sheet for the subplan). If any of these courses are used for General Education, unrestricted electives will be increased by four units per course up to the unit maximum of 12.

All persons who receive undergraduate degrees from Cal Poly Pomona must pass the Graduation Writing Test (GWT). The test must be taken by the quarter following completion of 120 units for undergraduates.
Interdisciplinary General Education

An alternate pattern for partial fulfillment of GE Areas A, C, D, and E available for students is the Interdisciplinary General Education (IGE) program. Students should see an advisor for specific GE coursework required by their major. Students must be exempt from or score at least 147 on the EPT to qualify for IGE. Please refer to the University Catalog General Education Program section for additional information.
