Rack

1st belay 1-2 web
cams: 1-2 ea. 6-3.5"
many slings

belay just after pink slab on small ledge tricky gear for anchor

5.5 crack and face more awkward than hard

belay after the end of the corner, belay takes 7.5-8"

The Slot
5.6 face and crack
belay takes .75-1.5"
small ledge

Furrow Pitch
(deep water grooves and spurious pockets)

vertical line on arete
5.7 good pro
cool climbing

belay takes 1-2 sloping ledge

5.7 poor pro
40' runouts
better protection a little to the left
5.6 face and cracks
