### New Advisor in the EAC!!

The Engineering Advising Center is happy to welcome Kenneth Partner as our new advisor. Kenneth will be the point of contact to ECE/ET and working with students in these major areas. If you have time, stop in and meet him in building 9-155!

### Title IX Holds

The university has placed Title IX holds on students. Please log into your BroncoDirect to follow instructions on how to have this removed. For more information or questions please contact via e-mail: cpp_title_ix@cpp.edu.

### Fall 2015 Academic Policy Changes

Beginning in Fall 2015, Cal Poly Pomona will no longer use the term “subject to disqualification” as an academic standing. Therefore, if you have been on probation standing in the past and your GPA falls below the designated parameters, then you will be disqualified. To view the new GPA disqualification thresholds, please visit: http://catalog.cpp.edu/content.php?catoid=8&navoid=1075

### Second Year Advising

First Year Freshmen who are transitioning to Sophomore status, please be sure to visit your departments to locate your faculty advisors. The EAC provides general advising but for detailed course plans, second year students and above MUST meet with their faculty advisors.
