CS 375 Computers and Society

Essay #1
(100 Points)

Due: 6/28

Read a recent article (within six months) on one computer technology which has made the most impact in your life. Give a summary report.

Essay Format

All papers should be in MLA format and stapled together. A summary of the MLA format can be found at http://www.studyguide.org/MLA/documentation.htm.

The essay assignment is five-page long.

1. Page 1: a title page
2. Page 2, 3 & 4: the body of the text (2-3 pages long) which should be double spaced, 12 point type.
3. Page 5: a works cited page listing all works cited

The title page should contain

1. the title (that reflects the content of the essay)
2. the student's name
3. the class number
4. the instructor's name
5. the due date

Wikipedia references may not be used. Information used in the paper should be documented, and references should be given inline (i.e. no footnotes) with the item referred to the Works listed on Cited page at the end of the paper.

A hard copy with the pages stapled together should be handed in at the beginning of class on the due date. No late essay assignment.

Each paper will be graded on a 100 point scale.
