No more than 105 community college quarter units or 36 extension credit quarter units may be applied toward a Bachelor's degree.
A minimum 2.0 cumulative GPA is required in core (including option) courses, Cal Poly Pomona courses, and overall work completed in order to receive a degree in this major.

22 units of upper division courses must be completed from approved courses included in one of two clusters (Physiology and Neuroscience / Biodiversity and Systematics).
Students do not need to declare a cluster.
Courses may be chosen from either of the two clusters indicated below;
however, a minimum of 3 units must be completed from each cluster.
See below for approved courses.
