To optimize time here select the classes with bold squares as soon as possible and follow the bold paths. Try to balance workload to the level of units you can handle per quarter, and in the proper mix of difficulty for you. In general, try to take only one MATH or ME course at a time

THE COURSES LISTED ABOVE INDICATE INTENT OF OFFERING QUARTER, ACTUAL OFFERINGS MAY VARY

Students in the IGE general education program take all classes above this line ----- Students in the Standard general education program take all classes below this line ----- Arrows indicate prerequisites, dashed lines indicate recommended sequences Note that most MFE courses and many IME courses are offered only once a year Underlined courses satisfy both GE and Major requirement
