Food Marketing & Agribusiness Management
Curriculum Year: 2010-2011

Advising Notes:

1. This sheet is to be used in conjunction with the other sheets in the FMA advising folder on blackboard.csupomona.edu and/or in the FMA advising packet.
2. This shows how an FMA student would schedule all of their requirements to complete their degree in 4 years. This plan is for a freshman entering as an FMA student who does not change majors. If a student is a transfer or change of major they should see their ABM advisor to determine how this needs to be adjusted.
3. You must pay attention to completing the 100 and 200 level GE, FMA support and FMA core courses during your freshman and sophomore years. Do not put those off.
4. If you are taking remedial math take STA 120 the following quarter.
