## International Business and Marketing Department

## International Business Program

Curriculum Year: 2011-2012
Your department has developed this road plan, taking into account prerequisites and schedule restrictions.
You should pay attention to these concerns when deviating from this plan.

|  | Fall | Units | Winter | Units | Spring | Units | Comment <br> Microcomputer proficiency must be demonstrated with CIS 101, a microcomputer proficiency skills test in Word, Excel, and PowerPoint, or an approved college course. If a skills test is used, then support electives must be increased by 4 units. <br> STA 120 may be used to satisfy GE area B1. EC 201 or 202 may be used to satisfy GE area D2. <br> If courses are used to satisfy GE, then 4 units of major support electives must be taken for each course up to a maximum of 8 units. |
