### Unrestricted Electives  
0-11 units

Select a sufficient number of courses so that the total from "Major Required", "GE", and "Unrestricted Electives" is at least 104 units.

### General Education Requirements  
48 Units

Students should view their Degree Progress Report (DPR) for information regarding their General Education requirements. Unless specific GE courses are required for their major, please refer to the list of approved courses in the General Education Program in the University Catalog. Catalog.cpp.edu. When viewing the catalog, students should select the catalog year associated with the GE requirements listed in their Degree Progress Report.

#### Area A. English Language Communication and Critical Thinking (9 units)
1. Oral Communication
2. Written Communication
3. Critical Thinking

#### Area B. Scientific Inquiry and Quantitative Reasoning (12 units)

- At least 3 units from B1, B2, B4, and B5 including 1 unit of lab from B1 or B2 to fulfill B3
  1. Physical Sciences
  2. Life Sciences
  3. Laboratory Activity
  4. Mathematics/Quantitative Reasoning
  5. Science and Technology Synthesis

#### Area C. Arts and Humanities (12 units)

- At least 3 units from each sub-area

#### Area D. Social Sciences (9 units)

- At least 3 units from each sub-area

### Interdisciplinary General Education  
18 Units

An alternate pattern for partial fulfillment of GE Areas A, C, and D available for students is the Interdisciplinary General Education (IGE) program. Students should see an advisor for specific GE coursework required by their major. Please refer to the University Catalog General Education Program section for additional information.

#### How IGE fulfills General Education Requirements:

### American Institutions  
6 Units

Courses that satisfy this requirement may also satisfy GE Area D1 and D2.

### Graduation Writing Test

All persons who receive undergraduate degrees from Cal Poly Pomona must pass the Graduation Writing Test (GWT). The test must be taken by the semester following completion of 60 units for undergraduates.
