The timeline below is established based on key deadlines related to Class Scheduling, Registration, and Orientation, as well as Campus Consultation, Senate deliberation, and faculty breaks. **Dates are subject to change.**

- **GE Course Proposals:**
    - **There is a current pause on the development and proposal of new and modified General Education (GE) courses with the following exception**:
        - Limited exceptions for **minimally modified** GE Areas A-E course proposals may be granted to address urgent needs. Departments must contact Aaron M DeRosa (amderosa@cpp.edu) prior to launching the proposal in Curriculog.
    - All **minimally modified** GE course proposals planned for 2024-2025 AY implementation should be approved to the Office of Academic Programs (OAP) step in Curriculog on or before **September 25, 2023**.
- **Non-GE Course Proposals:**
    - All course proposals planned for 2024-2025 AY implementation must be approved to the University Curriculum Committee (UCC)/Office of Academic Programs (OAP) step in Curriculog on or before **November 2, 2023**.
        - Proposals approved to the UCC/OAP step in Curriculog on or after November 3, 2023, will be: 1) considered for implementation during the 2025-2026 AY and 2) reviewed and processed after all materials submitted for 2024-2025 AY implementation, including catalog edits and roadmaps, are reviewed and processed.
    - Campuswide consultation for non-GE course proposals occurs during the University Faculty step in Curriculog. Notifications of non-GE course proposals available for campus consultation are delivered via a Curriculog Daily/Weekly Digest email. Per system limitation, the posting of comments during the University Faculty step in Curriculog is limited to Deans, Associate Deans, Department Chairs, and the Office of Academic Programs curriculum staff. Faculty should contact their Dean, Associate Dean, Department Chair, or the curriculum staff in the Office of Academic Programs to request for comments to be posted on their behalf.
- **Program Proposals (i.e., CSU AMP):**
    - All program proposals planned for 2024-2025/2025-2026 AY implementation should be approved to the Office of Academic Programs (OAP) step in Curriculog on or before **November 2, 2023**.
    - CSU AMP proposals include:
        - new/modify/discontinue program,
            - proposals for new degree programs will only be accepted for projections previously approved by the CSU Board of Trustees (BOT); call for new degree program projections for BOT review/approval occur mid-Fall and late-Spring.
        - new/modify/discontinue option,
        - new/modify/discontinue emphasis,
        - program/option/emphasis name change,
        - option elevation,
        - degree/CIP code change,
        - degree program modality change,
        - new/modify certificate,
        - new self-support counterpart.
    - **Program proposals requiring Chancellor's Office and/or WSCUC review/approval will be implemented during the 2025-2026 academic year at the earliest**.
