OFFICE OF STUDENT SUCCESS
Academic Engagement & Success

The Office of Academic Engagement and Success (AES) empowers students across the educational continuum—from K–12 through graduation—by fostering access, equity, and success through holistic, culturally responsive, and data-informed programs.

DREAM.
DISCOVER.
ACHIEVE.

AES cultivates belonging, persistence, and future readiness for all learners.

Project CAMINOS

Project CAMINOS

Project CAMINOS is dedicated to cultivating a college-going culture among students interested in applying to Cal Poly Pomona. We help students and their families make attending college a reality by providing guidance, resources, and experiences that prepare them for higher education.

SUPPORTING:

- K-12 students & their families
- Every student's support system is different
- "It takes a village"

COORDINATING AND SUPPORTING PIPELINE EFFORTS ACROSS THE EDUCATION CONTINUUM

Families

High School Students

Middle School Students

Cal Poly Pomona

1 of 3 Polytechnic campuses

54 Undergraduate degrees

8 Academic Colleges

Mid- size Campus

26,973 Undergraduates

Our history and geography are unlike any other university in the region.

- A Polytechnic Approach
- A Diverse Community
- Affordable and Accessible
- High Quality
- Well Ranked

CPP

We help anyone who dreams of success, achieve it.

Campus Explorations*

STEP ONTO CAMPUS:

Cal Poly Pomona Awaits!

Summer 2026 is your chance to discover your interests, explore career pathways, and experience college firsthand for free.

College Explorer Days

JUNE 11 AND 25
8:30 A.M. TO 12:30 P.M.

College Explorer Days are free campus visits where students of all ages and families tour campus, explore college life, participate in hands-on learning activities, learn about major and career pathways, and receive academic preparation tips. Each date will highlight different campus landmarks.

- Free parking
- Free lunch

STEM Academy

JULY 13-17
7:30 A.M. TO 4 P.M.

The STEM Academy is a free commuter program for high school students ready to experience college life while exploring exciting STEM majors and high-demand careers. Students will participate in hands-on labs and live demos, learn directly from college faculty, discover career pathways that match strengths and interests, and build confidence while preparing for college readiness.

- Free parking
- Free daily breakfast and lunch

The academy will highlight opportunities for women in engineering, computer science and other STEM fields. Priority for 2026-27 Pomona Unified High School seniors and juniors!

Fashion Tech Camp

JULY 6-10 OR JULY 20-24
9 A.M. TO 4 P.M.

The Fashion Tech Camp is a free commuter program for fashion creatives in high school. Students will use professional fashion tools and software, create 2D and 3D digital designs, develop their own fashion projects, and explore careers in fashion and technology.

- Free lunch
