STUDENTS

Students seek the perfect job or internship

In nine short weeks, the Huntley College of Agriculture will host Ag Career Day 2019. Hundreds of companies have been invited to participate. Company reps attending will provide information on jobs, internships, and scholarships, as well as info on their companies and industry. An annual tradition since the 1980's, Ag Career Day is sponsored by the dean's office to provide aggies the opportunity to seek jobs or internships, and to hone their career search skills—shaking hands, asking questions, crafting a resume, dressing professionally. Freshmen through senior ag majors will find Ag Career Day a worthwhile experience—and walk away with some cool company swag and Ag Council sponsored door prizes.

Ag Career Day is scheduled for Thursday, February 7, 10:00 a.m.–2:00 p.m., in the Bronco Student Center, Ursa Major. Aggies are encouraged to take advantage of this once-a-year opportunity. Register now at https://cpp-ag-career-day-2019-tickets.eventbrite.com.

FACULTY & STAFF

College prepares to welcome companies

The college is rolling out the welcome mat for the companies that will be attending Ag Career Day in February. A Breakfast Mixer has been planned for faculty, staff, and company representatives to mingle, get to know each other, and generally promote college/industry good will and networking. Held in the BSC prior to the start of Ag Career Day at 9:15am, the mixer will provide a light breakfast. Faculty and staff are requested to register at https://cpp-ag-career-day-2019-tickets.eventbrite.com by February 1. Lucky guests will not only get breakfast and fellowship, but may also walk away with one of the coveted door prizes.

COMPANIES

Companies jockey for best table location

"The early bird gets the worm" the old adage goes. And never is it more true than when companies arrive at Ag Career Day. Some company reps arrive two hours early just so they can get their choice of tables. A good
table location means the company is more visible and reps can see more students, the #1 reason they attend Ag Career Day. Companies already registered for this year's event are:

Armstrong Garden Center
Bemus Landscape
CAPCA
Gothic Landscape
Nutrien Ag Solutions
Pacsun
Progressive Produce, LLC
RDO Equipment Co.
Riverside County Agricultural Commissioner's Office
Ross Stores, Inc.
Southern California Institute of Food Technologist
