

2024 SUMMER ASSESSMENT INSTITUTE

RUBRIC DEVELOPMENT

Please join us as we explore the purposes, types, & approaches for developing rubrics & how to use them to strengthen student learning. Participants will engage in hands-on rubric development for three student learning outcomes to be used at the institutional level.

Details:

- Rubrics developed for Quantitative Literacy, Civic Literacy, & Intercultural Engagement
- Limited spots are available
- Selected participants should attend the full day's activities 8:30am - 4:30pm (lunch provided)
- **Application deadline: May 17th**
