## ASSESSMENT ACTIVITIES IN 2022-2023

This section provides the opportunity for programs to share and discuss assessment activities conducted in **AY 2022-2023.** This includes data collection, rubric development, data analysis, discussion of findings, development or implementation of closing the loop improvement strategies, update of your assessment plan and/or curriculum matrix, etc.

**How many total SLOs does your program assess according to your assessment plan?**
- 3

**How many SLOs did your program assess this past year in 2022-2023?**

- My program engaged in other assessment activity not specific to any SLO (e.g., modified curriculum matrix or assessment plan, received all data for program review, etc.)

**Please share the assessment activities the program engaged in that were not specific to any SLOs.**

The CIS department discussed how to improve the MSIS program. Topics discussed include 1) using cloud-based materials in some classes so that students do not have to install software on their computers; 2) creating a new capstone project class to replace the comprehensive exam; and 3) enhancing existing courses by adding AI components.

## IMPROVING THROUGH ASSESSMENT
