Sr. Director, Benefits and Payroll Data Operations

Subject: COVID-19 Supplemental Paid Sick Leave (Senate Bill 95) – Unit 3 (California Faculty Association)

Summary

The purpose of this technical letter is to provide campuses with instructions regarding the administration of the new COVID-19 Supplemental Paid Sick Leave (SPSL) pursuant to [Senate Bill \(SB\) 95 \(Chapter 13\)](#) for Unit 3 (CFA) represented employees. CSU was unable to reach an agreement with CFA to offer CSU's Expanded COVID-19 Related Leave Program (ECRL). As a result, Unit 3 employees are eligible for leave under SB 95. Signed by the Governor on March 19, 2021, SB 95 allows supplemental paid sick leave up to **80 hours (10 days)** and is available effective January 1, 2021 through September 30, 2021 for Unit 3 employees unable to work due to COVID-19-related reasons.

Campuses may use this technical letter, SB 95, and the [Department of Industrial Relations FAQ](#) for guidance.

Action Items

This Technical Letter should be reviewed by staff personnel responsible for administering and/or explaining CSU leaves.

Affected Employee Groups/Units

Unit 3 (CFA) represented employees are eligible to participate in SPSL. Please see below for exception.

Details

Eligibility

Pursuant to SB 95, all employees are eligible for COVID-19 SPSL. However, retired annuitants (including FERPs) are ineligible as they are excluded by law from receiving any leave benefits.

The number of hours available for employees who work less than full-time shall be prorated according to their full-time equivalency, or the percent of the appointment (hours normally scheduled to work). There is no waiting period to become eligible for this leave, and new employees hired after the effective date are considered eligible upon hire. Personal leave credits used by employees for SPSL qualifying reasons after the effective date of this program and before the issuance of this technical letter shall have their leave restored upon written or oral request by the employee.

Employees may only utilize SPSL for time periods in which they are scheduled to work, thus making time off necessary and given the employee is unable to work on site or telework. SPSL cannot be used to extend a temporary appointment or to receive pay during periods in which an employee is not scheduled to work.

Qualifying Reasons for Leave

SPSL can be used for the following reasons when employees are unable to work on site or telework:

- Employee is subject to a quarantine or isolation period related to COVID-19 as defined by federal, state, or local orders or guidelines.
- Employee is advised by a health care provider to self-quarantine due to concerns related to COVID-19.
- Employee is attending an appointment to receive a COVID-19 vaccine.
- Employee is experiencing symptoms related to a COVID-19 vaccine.
- Employee is experiencing COVID-19 symptoms and seeking a medical diagnosis.
- Employee is caring for a family member who is subject to a quarantine or isolation order or guideline or who has been advised to self-quarantine by a health care provider due to concerns related to COVID-19.
- Employee is caring for a child whose school or place of care is closed or otherwise unavailable for reasons related to COVID-19 on the premises.

NOTE: The quarantine or isolation period related to COVID-19 is the period defined by an order or guidelines of the California Department of Public Health, the federal Centers for Disease Control and Prevention, or a local health officer with jurisdiction over the workplace.

Total Time Available under SPSL

Eligible employees may utilize up to 80 hours (10 days) under SPSL. Leave may be used from January 1, 2021 through September 30, 2021. SPSL may be used before using other accrued leave balances or any other paid leave, or continuation pay such as Exclusion Pay outlined in [HR/Leaves 2021-01](#) that may be available.

Full Time Employees

Employees receive 80 hours if fulltime, time base is 1.0 (FTE) or, on average, they worked or were scheduled to work at least 40 hours per week in the two weeks preceding the date they took leave.

- Exempt Employees – Under the Fair Labor Standards Act (FLSA), exempt employees must use paid leave in full day increments unless the leave is designated under qualified medical and family reasons covered by CSU Family and Medical Leave (FML).

Less than Full Time Employees

The number of hours (or days, if exempt) for employees who work less than full-time shall be prorated according to the percent or time base of the appointment (hours normally scheduled to work). In the case of an employee whose schedule varies from week to week to such an extent that the campus is unable to determine with certainty the number of hours the employee would have worked if such employee had not taken leave, the campus shall use the following in place of such number:

If the normal hours scheduled are unknown, or if the part-time employee's schedule varies, campuses may use a six-month average to calculate the average daily hours. If this calculation cannot be made because the employee has not been employed for at least six months, use the number of hours that the employee is expected to work.

Calculation of Pay

Employees on SPSL will be paid at their "regular rate of pay" as defined by FLSA. This includes pay the employee is receiving currently which could include base pay, shift differential, stipends, allowances, etc. SPSL shall not be used to extend temporary appointments. If an employee separates from employment unused SPSL has no value.

SPSL for **exempt** covered employees shall be calculated in the same manner as the employer calculates wages for other forms of paid leave time.

Retroactive Corrections

SPSL is effective on March 29th, 2021 and retroactive to January 1st, 2021. Campuses are not required to proactively process retroactive corrections for employees who may have used their own leave balances or were docked pay for reasons that qualify for SPSL between January 1, 2021 and March 19, 2021. Employees must request a retroactive correction verbally or in writing. Campuses may require an employee requesting a retroactive correction to submit an SPSL request form.

Reasonable Notification and Documentation

SPSL Poster

Effective immediately, campuses must post the Department of Industrial Relations Model Notice (Attachment A). Campuses should post this notice on the campus website, on their COVID-19 specific site or send to employees electronically.

Employee Documentation

The campus shall make SPSL available for immediate use by the employee, upon oral or written request. If practical, employees should request SPSL by submitting a Request for COVID-19 Supplemental Paid Sick Leave Form (Attachment B) to their appropriate administrator and self-certify the reason for the leave. The use of SPSL must meet the qualifying reasons for leave and shall not be denied if deemed eligible. Employees should provide as much advance notice as possible of the need to use SPSL. In circumstances where the CSU has information indicating that the employee is not requesting SPSL for a valid purpose, the campus may require documentation or medical certification before paying SPSL. The CSU will not deny SPSL solely for lack of medical certification.

Pay and Leave (Paid and Unpaid) Allowed under other Programs

Continuance of Pay for Employees who must Quarantine due to COVID-19 Exposure at the Work Site

When noticed by the campus of potential exposure of COVID-19 on campus, employees must quarantine and not return to work until the return-to-work requirements are met as prescribed. Employees may telework, if available, during periods of quarantine. For employees excluded from work and otherwise “able and available” to work, campuses must continue and maintain the employee's earnings, seniority, and all other employee rights and benefits, including the employee's right to their former job status, as if the employee had not been removed from their job. If unable to telecommute, eligible represented employees shall receive Exclusion Pay while in quarantine after a worksite exposure. Employees exposed outside the worksite must use SPSL. For more information see [HR/Leaves 2021-01](#).

Family Medical Leave

The CSU Family Medical Leave (CSU FML) policy will apply to employees meeting the definition of a serious medical condition for themselves or immediate family members. If an exempt employee is covered under CSU FML, leave may be tracked by hours rather than in full day increments.

Non-Industrial Insurance (NDI) and other CSU Disability Leave Programs including Workers' Compensation/Industrial Disability Leave (IDL)

Employees may be eligible to apply for these leaves if they meet the eligibility requirements and approvals specific to each leave program.

Catastrophic Leave Program – Illness or Injury

Employees may be eligible for the CSU Catastrophic Leave Program for illness or injury if they meet the eligibility requirements as described in the Collective Bargaining Agreement.

Common Management Systems (CMS) Processing Instructions

Absence Management

CMS will leverage the “PAL/FFCRA” leave code for reporting SPSL as done for CPAL and FFCRA. Campuses are directed to immediately begin reporting SPSL paid leave in Absence Management under “PAL/FFCRA”. The following notation is to be included in the Comments section of the absence event:

- SPSL

AM reports will be updated in a future MP (Maintenance Pack) and noticed to campuses in a future CMS communication.

Time and Labor

A new Time Reporting Code (TRC) will be available in Time and Labor for reporting positive pay for time taken under SPSL.

- SPSL – Supplemental Paid Sick Leave - (Effective 1/1/2021)

Existing reports will be updated to track usage in Time and Labor.

Both of these changes are being developed with the intent of having an MP available in a future update. More information will be forthcoming once the process is finalized.
