Leaving a Company in Handshake

You can follow the steps below to disconnect yourself from the company profile you're currently connected to in Handshake.

1. From any page in Handshake, click on your name in the right hand corner and click User Settings from the drop down menu.

2. Scroll down to the very bottom of this page, where you see the following: Leave Employer: Is _______ not your employer? You can leave them and connect with a different employer account.

Click directly on leave them and connect with a different employer account to leave your company profile in Handshake.
In performing this action, you will then be directed to the page that will allow you to search for a company profile, connect to a new company profile, or create a new Company.
If you do not have the option to search for your company's profile or create a new company, please reach out to support for further assistance.

Refer to How to Create a New Company Profile for more information on setting up a new company profile.
