

Real Estate Research Council of Southern California
4th Quarter 2021 Quarterly Virtual Meeting
March 9, 2022

Invited Speaker: Shannon Sedgwick, Director
Institute for Applied Economics
LAEDC

Shannon Sedgwick is Director of the LAEDC Institute for Applied Economics. In this capacity, Ms. Sedgwick oversees and executes the planning and design of economic research projects and develops subject-specific information and data interpretation for economic impact, demographic, workforce development, transportation, and industry and issue studies. She performs research, data collection

and organization, analysis and report preparation in addition to managing a team of economists. Her work focuses on demographics, industry clusters and contribution analysis, and occupational analysis. She is also proficient at conducting geospatial analysis and working with IMPLAN. Ms. Sedgwick is a principal contributor to the Center for a Competitive Workforce reports prepared for the California Community Colleges and local Workforce Development Boards (WDB). Other notable works include *Aerospace: The Changing Face of Aerospace in Southern California*, *The Path Forward: Economic and Workforce Intelligence for Northeast Los Angeles*, and *Pacific Standard Time: Art in L.A. 1945-1980* which quantified the economic impact of the series of exhibitions held across Southern California.
