# Department Highlights

## SPRING 2019 HIGHLIGHTS

### GLOBAL STUDENT CHALLENGE: CAL POLY POMONA REGIONAL FINAL

On February 8th, the TOM Department hosted the Global Student Challenge Regional Finals in the College of Business Administration at Cal Poly Pomona. The Global Student Challenge is an online simulation competition based on a juice manufacturing company. The students are grouped into teams of four with a goal of returning the highest Return On Investment (ROI). [Read More >>](#)

### "SPEED MEET" NETWORKING EVENT

The Operations Management Society (OMS) and TOM Department hosted a networking event on February 22nd in the Bronco Student Center, where students were given the chance to speak with Cal Poly Pomona Alumni and industry professionals in a "speed meeting" fashion. [Read More >>](#)

## FALL 2018 HIGHLIGHTS

### BOEING TEAM PRESENTS IN CHICAGO DSI CONFERENCE

For the past three years, the TOM Department partnered with the Boeing company for the annual "Data Analytics Project." This past year's team consisted of Erik Larsen, Ilya Eremin, Erinn Dockins, Conner Martin, and Leo Jimenez. Professor Rita Kumar served as faculty advisor for the team. The abstract was accepted for presentation at DSI's Annual Conference, which was to be held in Chicago, Illinois at the historic Hilton Chicago. [Read More>>](#)

### "ADVICE FROM ALUMNI" NETWORKING PANEL & MIXER

On November 9th, OMS and the TOM Department hosted a networking event, "Advice from Alumni." It was a networking and panel

event, featuring three CPP TOM alumni: Heather Hernandez, Process Engineer at Mazda, Larry Au-Yeung, Director of Order Management and Merchandising at Warner Bros, and Sina Ghalambor, Data Analyst at Nutrilite. [Read more >>](#)

## Operations Management Society Club

### TED JOHNSON PROPANE CO: INDUSTRY GUEST SPEAKER & TOUR

On November 15th, Julie Johnson from Ted Johnson Propane spoke to OMS student members about her family business in the distribution industrious. Propane from Ted Johnson is even used to fuel Cal Poly's award-winning Rose Float! [Read More >>](#)

### STEVE CARR: ALUMNI GUEST SPEAKER

On November 1st, the OMS club hosted another notable guest speaker, Steve Carr. Steve is an alumni of the TOM department and was able to provide relevant insight to current students on the transition from college to the workforce. [Read More >>](#)

### AMWAY - NUTRILITE FACILITY TOUR

On February 15th, OMS visited the Nutrilite-Amway facility in Buena Park. They toured one of the largest international vitamin, mineral, and dietary supplement company. TOM 3010 adjunct faculty, Ted Bistline, led the group through the operations process beginning with raw materials, to blending to compressing, and finishing off with packaging. [Read More >>](#)

### CSCMP VISITS THE OMS CLUB

On February 14th, David Juranich and Ivy Tran from The Council of Supply Chain Management Professionals (CSCMP) visited the OMS club to talk

about the benefits of joining this professional organization. Ivy is a graduate student at Claremont Graduate University and a CSCMP scholarship recipient. [Read More >>](#)

## CAREER TIPS: RESUME ADVICE

BY CHETANA PIRAVI, TOM/EBZ STUDENT ASSISTANT

Getting a job is often a long and stressful process. The first step is creating a resume that is tailored to your achievements. You might have questions such as:

**“I need a job to get experience, but I need experience to get a job”**

**“I have a low GPA, should I even bother applying?”**

**“My resume is 3 pages! What do I do?”**

Select the link below for tips on creating the perfect resume that highlights your strengths.
