It was great to have Pepsi Co and all their representatives join us for our Speaker Series! Emily and Drake had a wealth of knowledge to share about the company putting its customers and employees first during the pandemic. PepsiCo is a large company with large product families for its global brands. Brianna was an intern last year and shared her experience about rarely being at her desk and being constantly on the floor learning in a fast pace environment. PepsiCo is hiring everywhere and has plenty of opportunities our members can apply for!
