**Curriculum Area:** Art

**Ages of Children:** All ages

**Materials Needed:**

1. Construction Paper different colors
2. Scissors
3. Glue/Tape
4. Markers or Pens
5. Color pencils optional

**Developmental Objectives/Domains:**

1. The objective for this activity is for students to understand a little bit about their family while having fun.
2. They will create a christmas tree and put their family members on it, by conducting this they will be aware of their surroundings and have them thinking.

**Procedure:**

1. Students will cut out the Christmas tree out of the outline.
2. Glue the tree on a blank canvas.
3. Write your name at the top of the paper.

4. They will then proceed to cutting out any construction paper they have in half to make small circles just like ornaments.
5. After cutting out the ornaments students will write their name on a star they cut out and place at the top of the tree.
6. Then they will write family members' names on the ornaments and decorate it as they would like.
