

## **GOALS FOR NEW YEARS**

**Themes:** Crafting/ Holiday (New Year)

**Curriculum Area:** Visual Arts/ Goal Setting

**Age of Children:** 4-6 graders (9-12 years old)

### **Materials Needed:**

1. Construction Paper (any color)
2. White piece of paper
3. Color pencils or markers
4. Glue

### **Developmental/Objective Domain:**

1. With completing this activity students will be able to not only learn about themselves, but as well motivate them.
2. This activity will help students be aware of their abilities, but as well grow each time they complete one of their goals.

### **Procedure:**

1. Obtain all your materials.
2. With the construction paper you have chosen, fold it in half.
3. Then take the white piece of paper, fold it in half and glue on to the construction paper you folded.
4. Do not forget to write your name.
5. On the left side write 5 goals you would like to achieve in the classroom.
6. On the right side write 5 goals you would like to achieve at home.
7. After writing your goals at the bottom of the paper sign your name and the year you will complete your goals.

8. Then proceed to decorate your activity the way you want.
9. Also do not forget to decorate the front of your book!
