

Thanksgiving Vocabulary

Theme: Thanksgiving

Curriculum Area: Language Arts

Thanksgiving is a national holiday in the United States of America that celebrates a meal shared between Colonists and Native Americans in 1621.

Age of Children: 5-7

Materials Needed:

- a pencil

Developmental Objectives:

1. Enhance language arts skills through exposure to festive vocabulary.
2. Enhance critical thinking since letters are not in the correct order.
3. Improve spelling and word recognition.

Procedure:

1. Have children look at word bank to familiarize themselves with their options.
2. Allow children to write in letters on the line provided.
3. Encourage children to compare word bank to mixed up letters.
4. Suggest crossing out letters as they right in their answers to avoid missing any or overusing a letter.
5. Show corresponding picture (last page) to enhance word association.
