

## Fantastic Fluffy Paintings

**Theme:** Fluffy Paint

**Curriculum Area:** Art

**Activity:** The children will create their own fluffy paint and then make their own artistic paintings.

**Age of Children:** 3-4 years of age

**Materials Needed:**

- Liquid glue
- Shaving cream
- Food coloring
- Paint brushes
- Small bowls
- Paper
- Aprons

**Developmental Domains/ Objectives:**

1. Learn how to make fluffy paint.
2. Work on teamwork because they each will make a different color and share.
3. Enhance their artistic abilities.

**Procedure:**

1. Have the children fill one quarter of their small bowl with glue.
2. Then, have them spray one quarter of the shaving cream into their bowl.

3. Next they each can pick one color of food coloring or mix colors to make a new color.
4. Next, have them use the paint brushes to stir the paint, food coloring and glue.
5. When it is thoroughly mixed, have the children paint whatever they want with their aprons on and share colors if they want so their painting can be colorful.
6. Have them wash their hands.
