

Curriculum Activity Lesson Plan

Curricular Area: Math

Title Of Activity: Penny Song

Age Appropriateness: Preschool

Goals:

- Social- (Group Interaction, Oral language)
- Physical- (Fine Motor Skills)
- Intellectual- (Memory, Number Sense, Counting, Listening)
- Emotional- (Pleasurable)

Objective(s):

Children will build their understanding of math concepts by singing along to a simple song.

Assessment:

Students were able to develop the concept of coins and number sense by listening and memorizing the song. They used their fingers to count along while singing. They also felt a sense of satisfaction knowing they could now count coins.

THE

PENNY SONG

One little two little three

little pennies

four little five little six

little pennies

Seven little eight little nine

little pennies

Ten little pennies make a dime!
