First Up is the **Human Resource Panel for Educators** entitled, “**Job Tips for First Time Teachers & Administrators**” being sponsored by CEIS and the Education Alumni Group on **February 17, 2016 from 4:30PM – 6:30PM in the Bronco Student Center URSA Major**. A group of Administrators from surrounding School Districts will take part in a panel discussion about the current job market for teachers and what employers are looking for in potential hires. After the Human Resource Panel, there will be mock interviews that give attendees an idea of the kinds of questions to expect when being interviewed and the appropriate responses to give. There will also be resume critiques by School District Administrators. This event will assist students in marketing themselves and networking with employers at the Teacher Education Job fair the following week.
