

INTERDISCIPLINARY GENERAL EDUCATION (IGE)

13<sup>th</sup> Annual  
**PROJECTS**

*Fair*

California State Polytechnic University, Pomona  
College of Education and Integrative Studies

**TUESDAY, MARCH 8, 2016**

4 - 6 p.m.

Bronco Student Center, Ursa Major Suite

*IGE, one of the nation's longest running integrated GE programs.*

In IGE 224, students complete an individual capstone project that synthesizes and extends themes from their IGE learning experience. These integrative projects represent the culmination of the studies and experiences of IGE students.

In this Projects Fair, we celebrate and share our students' accomplishments in IGE.

Refreshments will be served, No RSVP required.
