III. Expected Outcomes

The student will be able to perform:

1. A specified amount of repertoire as a result of the work on the selected instrument(s).
2. A specified amount of technical studies.

The outcomes of this course relate to the following Music Department Student Learning Outcomes:

#1: Perform a variety of music with expression and musical accuracy.

#3: Demonstrate musicianship skills (including those involving technology) and conceptual understandings.

#4: Demonstrate and articulate personal growth as a musician and student of music in the world.

BM General:

1. **demonstrate** a high level of musicianship that facilitates independent preparation of music for performance.
4. **articulate** the distinguishing characteristics of multiple musical styles, traditions, and historical periods, **and apply** that knowledge to performance.
5. **perform** a wide variety of solo and ensemble repertoire for varied audiences.
6. **analyze, interpret, and defend** judgments of various musical works for audiences of scholars and amateurs.
7. **demonstrate** healthy body mechanics and technique.

BM Composition Option:

1. **apply** knowledge of compositional techniques and musical elements to write original works in new and established styles.
2. **oversee** fully realized public performances of their original compositions, with critical assessments.
3. **produce** a capstone project that presents an extended work or several shorter works, showing their 'voice' as a composer.

BM PreCredential Option:

2. **display** effective conducting skills for choral and instrumental ensembles
3. **evaluate, select, prepare, and assess** music for performance.
8. **demonstrate** a deep understanding of performance through presentation of a recital or a lecture-recital.

IV. Instructional Materials
