ABOUT STUDENTS FOR STEINWAY and the ALL-STEINWAY SCHOOL INITIATIVE

Students for Steinway is a grassroots effort to support the All-Steinway School Initiative at Cal Poly Pomona. Through Students for Steinway, the students of Cal Poly Pomona's Music Department have been able to support the University by creating awareness and by organizing one of the biggest fundraising events set up by a student organization this year. The goal of the All-Steinway School Initiative is to raise \$2.5 million for the purchase and maintenance of 29 Steinway pianos. This accomplishment will bring a new level of excellence to the University and the music department and will further acknowledge the commitment we have to our musicians and our music program.
