WELCOME TO THE CAL POLY POMONA DEPARTMENT OF THEATRE & NEW DANCE

About Us: Cal Poly Pomona's Department of Theatre and New Dance awards undergraduate degrees in theatre, emphasizing theatrical production and the "doing" of theatre. At the same time, the Department offers courses in all aspects of theatre, both artistic and academic. After completing the theatre major at Cal Poly Pomona, students are prepared to begin their careers or specialized training in professional theatre, television or film; to go for advanced training in graduate schools; or to go into teaching in high schools. We are proud to boast alumnus in numerous professional positions throughout the entertainment industry.

Our Mission: The Department of Theatre and New Dance provides opportunities within a diverse and inclusive environment to explore and develop meaningful, innovative ideas that engage the interdependence of process and creation. Students develop critical thinking and disciplinary excellence through experiential learning, collaboration and interdisciplinary practices to prepare them to be current and relevant artists. Students work within established and experimental processes utilizing trends in new technologies, community and contemporary performance practices.

We thank you for your attendance during this production, and we especially wish to thank the following for their support of the arts here at Cal Poly Pomona:
