Class of 2023

67th Annual Commencement Ceremonies
California State Polytechnic University, Pomona
Office of the Chancellor

Dear Class of 2023:

I offer you my most enthusiastic and heartfelt congratulations on achieving this consequential milestone on the journey of a lifetime.

Today, we celebrate you – and all the hard work, perseverance and scholarship that brought you here. You will undoubtedly look back on this occasion for many years to come, filled with a well-earned sense of pride in your accomplishments – and maybe even a sense of relief for attaining a goal that, at times, might have felt more than a little daunting.

As numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. You have by necessity developed and demonstrated skills – far beyond your academic work – that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. Your resolve shines brightly as a symbol of hope and optimism. It is admirable. And it is inspiring.

Of course, you did not make this journey alone. We also recognize the faculty who deepened your knowledge and enabled you to see the world from new perspectives. We acknowledge the counselors, tutors, advisors, librarians, coaches and support staff who championed you at every turn. And we appreciate the family, friends and loved ones who encouraged you, uplifted you and supported you along the way. Please remember to thank these important people and let them know how much their support means.

This celebration marks a new beginning for you – a time to commence a new life, filled with opportunities and prospects made possible by your degree from the California State University.

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than 4 million CSU alumni. They are a remarkable force for good, and I am certain your addition to their ranks will multiply their contributions to our communities, to our state and to the world. I ask that – in the Cal State spirit – you use the knowledge, skills and personal qualities you have developed to work for justice, seek opportunities to foster equity and always uplift and empower others. Stay connected to your campus and look for ways to give back. And whenever possible, support future generations who aspire to follow in your footsteps.

On behalf of the entire California State University, again, congratulations.

Sincerely,

Jolene Koester, Ph.D.
Interim Chancellor
Office of the President

Dear Graduates:

Congratulations on earning your Cal Poly Pomona degree or credential! This achievement is a testament to your determination and unwavering commitment to reaching your goals. Your success is also a tribute to the family members and friends who have supported you.

Today, all of us celebrate your commencement with great pride and honor for having been a part of your journey. Tomorrow, you embark on the next chapter of your lives. Please remember all that you have learned here at Cal Poly Pomona — and carry with you the lifelong spirit of creativity, discovery and innovation in all your future pursuits.

Ultimately, your success will be measured not by the accolades you receive but by your impact on the world around you. Therefore, I implore you to use the education you received here as a tool for positive change, to apply your talents in your work and in your community with integrity and compassion. Use your knowledge and skills to lead us to a brighter future for all!

Meanwhile, always remember those who have supported you throughout your journey. Cherish your family, your friends, your professors, your mentors — the entire campus community. We are all incredibly proud of you. Stay connected with us; now that you are Cal Poly Pomona alumni, you will serve as essential sources of inspiration and mentors for future students.

And so, again: Congratulations, graduates. You have made us proud, and we cannot wait to see the extraordinary things you will achieve and the difference that you will make in the years to come.

Sincerely,

Soraya M. Coley, Ph.D.
President

Office of the Provost

Dear Graduates:

Congratulations on reaching this incredible milestone in your academic journey! On behalf of Cal Poly Pomona’s faculty and academic staff, I am honored to celebrate your achievements and share in your joy.

As you leave our campus, I urge you to reflect on the crucial role that our faculty and staff have played in shaping your growth and development: passionate, dedicated professors who challenged you in the classroom and committed advisors who guided your academic and career choices.

In the days, months and years ahead, I hope you will remember the lessons taught by these mentors. You may pay it forward as a source of inspiration and guidance for others. As you continue to learn and grow, I am confident that you will go on to do great things in the world!

Once again, congratulations on your graduation, and best wishes for a bright and prosperous future! Go Broncos!

Sincerely,

Jennifer L. Brown, Ph.D.

JULIAN A. MCPHEE AWARD

The Julian A. McPhee Award recognizes the “founding president” of Cal Poly Pomona. For more than 35 years, McPhee provided dedicated service and enlightened leadership to the people of California through his commitment to higher education. While President of Cal Poly at San Luis Obispo, McPhee established a southern branch of the college in 1938, on donated Voorhis School for Boys property in San Dimas. This branch ultimately attracted the attention of cereal magnate W.K. Kellogg. In 1949 Kellogg generously donated his famous Arabian Horse Ranch, leading to the eventual expansion of what we know today as Cal Poly Pomona. McPhee was the president of both campuses from 1938 until his retirement in 1965. He helped set the learn-by-doing educational foundation upon which the current institution continues to build.

The McPhee Award includes a certificate and medallion and is presented to one student from each college in recognition of their outstanding contributions. The Award is made possible by an anonymous donor who worked alongside McPhee during the rapid post-World War II growth of Cal Poly Pomona.

Dear CBA Graduates,

Congratulations on joining fewer than 50,000 individuals in the world regarded as alumni of Cal Poly Pomona’s College of Business Administration. They’re in prominent boardrooms and hidden in secret government agencies. Today, it’s with great pride that I, as the Interim Dean and a CBA alumna, welcome you to that select group.

Prosperity awaits. As technology shrinks the world, new industries emerge daily. Only ambition separates dreams from achievements. And while tools will change, remember the learn-by-doing spirit engrained into every Bronco graduate will always be in demand.

Class of 2023, on behalf of the entire College of Business Administration, congratulations! Enjoy celebrating your remarkable achievements with your loved ones and supporters.

On behalf of the faculty and staff of the College of Education and Integrative Studies, I offer my heartfelt congratulations for your achievement. Your degree is more than the sum of the courses you’ve taken; it is evidence of having learned to think critically when confronted with issues, to analyze and respond to challenges, and to channel your ideals and values in making the world a better place. It is quite an accomplishment. We know that you are prepared for the responsibilities placed upon you and we are thrilled to see you reach this new level of achievement.

ACADEMIC DRESS

According to the American Council on Education, the origins of academic dress date back to the 12th century, when universities were taking form. It wasn’t until the late 19th century that American institutions agreed on a standard form of dress. A code was adopted in 1895 and is followed today by most institutions in the United States.

GOWNS: The bachelor’s gown has long, pointed sleeves while the master’s gown has an oblong sleeve open at the wrists. The doctor’s gown has an oblong sleeve and is adorned with velvet panels on the front and with cross bars on the sleeves. Gowns are always black, with a few exceptions for doctoral robes and for students receiving special honors, such as the green robes worn by those receiving the Julian A. McPhee Award.

HOODS: signify the subject and the institution awarding the degree. They are worn by those with an advanced degree. According to tradition, the length of the hood worn for the master’s degree is three and one-half feet and for the doctor’s degree, four feet. The hoods are lined with the official color or colors of the institution conferring the degree. The binding or edging of the hood is velvet or velveteen, and the color identifies the subject to which the degree pertains.

CAPS: In the United States, a black mortarboard is most commonly used, with the tassel on the right prior to awarding the bachelor’s degree. The tassel is in a color representing the discipline in which the degree is awarded.
