

70th Annual Commencement Ceremonies

CALIFORNIA STATE POLYTECHNIC UNIVERSITY, POMONA

Class of 2026

Mildred García, Ed.D.
Chancellor

Office of the Chancellor

Dear Class of 2026:

Today marks both the end of your time with the California State University and the start of an exciting new chapter. Along with the degree you worked so hard to earn, you have gained knowledge, skills and connections that I know will take you far.

Your accomplishment is celebrated today by so many people, including those who supported you on this journey: your family, friends and all those whose love sustained you; the faculty who trained you to look at the world with a critical eye and an open mind; and the counselors, advisors, librarians, tutors and coaches who together created an encouraging environment for you to succeed and to thrive.

You have made all of them, and me, extraordinarily proud.

As you face new opportunities in the days ahead, you will do so empowered by your membership in a vibrant global network of more than four and a half million CSU alumni. Together, you are certain to enrich our workforce and communities. After all, CSU alumni (like you!) have so much to contribute, whether it is exploring solutions to society's greatest challenges, working to educate and inspire the next generation or powering the fight for democracy and a more just world.

No matter the path you choose, please stay connected to your alma mater and to the CSU. Your connections – both to your campus and to other CSU alumni – are powerful tools that can help to open new doors of possibility. Likewise, I encourage you to offer support to all those who aspire to follow in your footsteps in pursuit of a CSU degree.

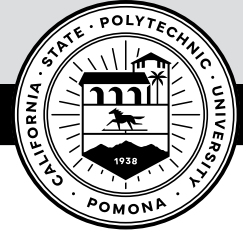

You begin writing your next chapter today – and I wish you every success. May your hard work and creativity lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Felicitades, California State University Class of 2026! I can't wait to see all that you will accomplish.

Warmly,

A handwritten signature in cursive script that reads "Mildred García".

Mildred García, Ed.D.
Chancellor

Interim President

Office of the President

Dear Graduates,

It is my great honor to congratulate you on reaching this milestone. Your hard work, perseverance, and belief in your abilities have brought you to this moment, and today, the entire Cal Poly Pomona community celebrates your achievements.

This milestone marks a new beginning, the culmination of one chapter, and the first lines of the next. I encourage you to carry the same curiosity, passion, and determination that you demonstrated here into every endeavor that lies ahead.

The future may be uncertain, but you are well prepared. The knowledge, skills, and resilience you have developed here will serve you well as you move forward.

Always believe in your potential. Act boldly and know that you can accomplish anything you set your mind to. Wherever your journey leads, know that you will always be part of the Bronco family. I hope you will remain connected to Cal Poly Pomona, sharing your experiences, supporting future students, and continuing to strengthen the community that helped shape you.

Finally, I ask that you take time to thank those who helped you arrive here: your loved ones and friends, professors, mentors and staff members who recognized your potential and helped guide you to this moment.

Take pride in this achievement and in all that lies ahead. On behalf of the entire university, I wish you continued success and fulfillment.

Congratulations, Class of 2026.

Sincerely,

A handwritten signature in black ink, appearing to read "I. S. Levine".

Interim President

**JULIAN A. MCPHEE
AWARD**

The Julian A. McPhee Award recognizes the “founding president” of Cal Poly Pomona. For more than 35 years, McPhee provided dedicated service and enlightened leadership to the people of California through his commitment to higher education. While President of Cal Poly at San Luis Obispo, McPhee established a southern branch of the college in 1938, on donated Voorhis School for Boys property in San Dimas. This branch ultimately attracted the attention of cereal magnate W.K. Kellogg. In 1949 Kellogg generously donated his famous Arabian Horse Ranch, leading to the eventual expansion of what we know today as Cal Poly Pomona. McPhee was the president of both campuses from 1938 until his retirement in 1965. He helped set the learn-by-doing educational foundation upon which the current institution continues to build.

The McPhee Award includes a certificate and medallion and is presented to one student from each college in recognition of their outstanding contributions. The Award is made possible by an anonymous donor who worked alongside McPhee during the rapid post-World War II growth of Cal Poly Pomona.

ACADEMIC HONORS

A gold cord indicates graduation with academic honors. Cal Poly Pomona grants honors upon baccalaureate graduation to students who have demonstrated academic excellence throughout their higher education careers. Honors are designated by symbols below for those who graduated Fall 2025 or applied for graduation for Spring and Summer 2026. Honors are contingent upon final grades.

Summa Cum Laude (**SCL**) 3.80-4.00 Magna Cum Laude (**MCL**) 3.65-3.79 Cum Laude (**CL**) 3.50-3.64

ACADEMIC DRESS

According to the American Council on Education, the origins of academic dress date back to the 12th century, when universities were taking form. It wasn't until the late 19th century that American institutions agreed on a standard form of dress. A code was adopted in 1895 and is followed today by most institutions in the United States.

GOWNS: The bachelor's gown has long, pointed sleeves while the master's gown has an oblong sleeve open at the wrists. The doctor's gown has an oblong sleeve and is adorned with velvet panels on the front and with cross bars on the sleeves. Gowns are always black, with a few exceptions for doctoral robes and for students receiving special honors, such as the green robes worn by those receiving the Julian A. McPhee Award.

HOODS: signify the subject and the institution awarding the degree. They are worn by those with an advanced degree. According to tradition, the length of the hood worn for the master's degree is three and one-half feet and for the doctor's degree, four feet. The hoods are lined with the official color or colors of the institution conferring the degree. The binding or edging of the hood is velvet or velveteen, and the color identifies the subject to which the degree pertains.

CAPS: In the United States, a black mortarboard is most commonly used, with the tassel on the right prior to awarding the bachelor's degree. The tassel is in a color representing the discipline in which the degree is awarded.

COLLEGE OF EDUCATION AND INTEGRATIVE STUDIES

It is with great honor that I share this moment with you and your loved ones. On this occasion, we reflect on the wisdom of Dr. Martin Luther King Jr.: "Life's most persistent and urgent question is: 'What are you doing for others?'" As you stand on the threshold of new beginnings, know that your talents and passions will touch lives beyond your own. You are not alone. This journey is one we walk together. Inspired by Dr. King's vision, you will champion opportunity, nurture hope, and help shape futures where communities thrive. Together, we carry forward a legacy of action, grounded in collective stewardship and shared futures. As you step into the world, know that your presence and voice will shape what comes next.

Congratulations, Class of 2026!

To your continued impact,
Janelle S. Pitt-Parker Ph.D.
