The College of Professional and Global Education does not send out payment reminders. Payments on installment plans are not automatically processed and credit card information is not kept on file. Payments must be made online through BroncoDirect. If you elect to pay your registration fee on a payment plan, the BroncoDirect student system will show an outstanding balance on your financial account and University Financial Services will place a hold on your student records until your tuition balance is paid in full. The hold cannot be removed and throughout the semester you will automatically receive past-due notices either by email or the US mail until the outstanding obligations have been paid in full.

By signing below, you acknowledge that you have read the Open University Payment Plan policies listed above as well as the information payment plan and withdrawal & refund policies located on the Open University website.
