UNIVERSITY NEWS

U.S. News Ranks Cal Poly Pomona #2 Top Public School in the West

Cal Poly Pomona is ranked **No. 2 Top Public School in the West** in the U.S. News & World Report's 2024 U.S. Best Colleges ranking. Nearly 1,500 four-year bachelor's degree-granting institutions were evaluated.

The university is also listed as the **No. 1 Bang for Your Buck** polytechnic university, according to Washington Monthly.

"Cal Poly Pomona helps students achieve their dreams of success," said President **Soraya M. Coley**. "It's wonderful that the faculty, education and opportunities

that we provide, and the success of our graduates, are being recognized." In addition, U. S. News ranked the campus **No. 2 Best Colleges for Veterans in the West**.

The campus has more than 1,600 military affiliated students, including veterans, active military service members and military dependents. The **Veterans Resource Center (VRC)** is their central resource for information, guidance and community in their educational journey.

"The center provides military affiliated students a place where they can connect and engage as a community," said **Elke Azpeitia** ('07, philosophy; '11, master's in public administration), director of the VRC. "It's an opportunity for them to discover what it means to be a military-affiliated Bronco and how their experiences bring value inside and outside of the classroom environment."

Hot Dog Caper Celebrates 40th Anniversary

This year's **Hot Dog Caper** elevated the humble ballpark snack to superhero status.

The 40th annual event included over 12,000 hot dogs, veggie dogs and halal dogs. Volunteers also handed out 2,000 bags of chips, 1,500 popsicles and over 5,600 beverages.

Superhero impersonators, a live DJ and balloon twisters entertained about 6,000 students, faculty and staff in Bronco Commons. Special guests included Billy Bronco and the horses from the W.K. Kellogg Arabian Horse Center.
