

Student Engagement, Leadership & Success

Student Engagement, Leadership & Success empowers students through involvement in co-curricular engagement, pathways, and leadership development initiatives that encourage self-discovery and prepare them beyond Cal Poly Pomona. Recognizing that student involvement results in improved academic performance, persistence, and an increased sense of belonging, Student Engagement, Leadership, and Success seeks to engage our diverse student population through intentional, transformative, and culturally relevant programs and services.

ENGAGEMENT

We offer meaningful engagement opportunities for students through their participation in co-curricular opportunities that include:

- Clubs and Organizations
- Fraternity and Sorority Life
- CPP Fest
- Focus on Finals
- Community Building Programming

LEADERSHIP

We encourage and support culturally relevant leadership development and exploration through participation in the following programs:

- Bronco LEAD
- Bronco Student LEADership Conference
- Black Male Excellence Leadership
- Femtor

PATHWAYS

We create pathways that guide the co-curricular experience, foster curiosity, and inquiry, and prepare students for life beyond Cal Poly Pomona:

- JLD Program
- Co-curricular Badging
