2 Easy Steps to Register

Step 1: Fill in Application

Step 2: Submit Documentation

By entering and submitting this form, I am requesting academic accommodations or other services as an individual with a disability, as defined by Federal law.

I also acknowledge that the DRC complies with the Family Education Rights and Privacy Act (FERPA, 2001), which protects students' educational records and prevents their improper disclosure. No information regarding a student's disability or use of accommodations can be released without the student's written consent, except for the following reasons, 1) for the purposes of providing and coordinating appropriate disability accommodations or services, 2) to provide academic adaptation of curricula, and 3) when required by state and federal laws (e.g., in the event that the student poses a serious risk of harm to self or others).
