Submitting a Workplace Violence Incident Report

Your safety is a shared responsibility, and at CPP Enterprises Inc., we're committed to fostering a secure work environment in collaboration with University departments. If you need to report a workplace violence incident, please follow these steps:

1. **Access the Reporting link:** Begin by clicking [here] to view the Workplace Violence Safety Concern Form.

2. **Complete the Report:** Provide detailed information about the incident. Your report is essential to our efforts in maintaining a safe workplace.

3. **Reporting Other Safety Concerns:** If you have broader workplace safety concerns, you can reach out to Employment Services directly by:

   a. CPPE Front Desk 909-869-4204
   b. Email: fdnhr@cpp.edu

For more guidance, you can review the **CPPE Workplace Violence Prevention Plan** [here]. If needed, a copy of the CPPE Workplace Violence Incident Log can be requested by contacting the Human Resources department.

If you need additional forms, policies, or documents, please visit the CPPE Employee Intranet. You'll find everything you need to stay informed and supported in our workplace.

Stay informed, stay safe, and thank you for contributing to a safe working environment at CPPE.
