

CAL POLY POMONA INDUSTRIAL & MANUFACTURING ENGINEERING

CREATE SOLUTIONS FOR A GLOBAL WORKPLACE

Industrial and manufacturing engineers develop systems, processes, and products that are better, faster, greener, and less costly by improving jobs in industry using leading-edge technology.

The Industrial & Manufacturing Engineering Department offers a **Bachelor of Science in Industrial Engineering (BSIE)** and a **Bachelor of Science in Manufacturing Engineering (BSMFE)**. A **Master of Science in Engineering Management (MSEM)** and a **Master of Science in Systems Engineering (MSSE)** are also provided.

Top 3

Consistently top ranked student teams at national competitions

15

Program courses with project laboratories

50+

Industrial & Manufacturing industry senior projects annually
